GOFFSTOWN

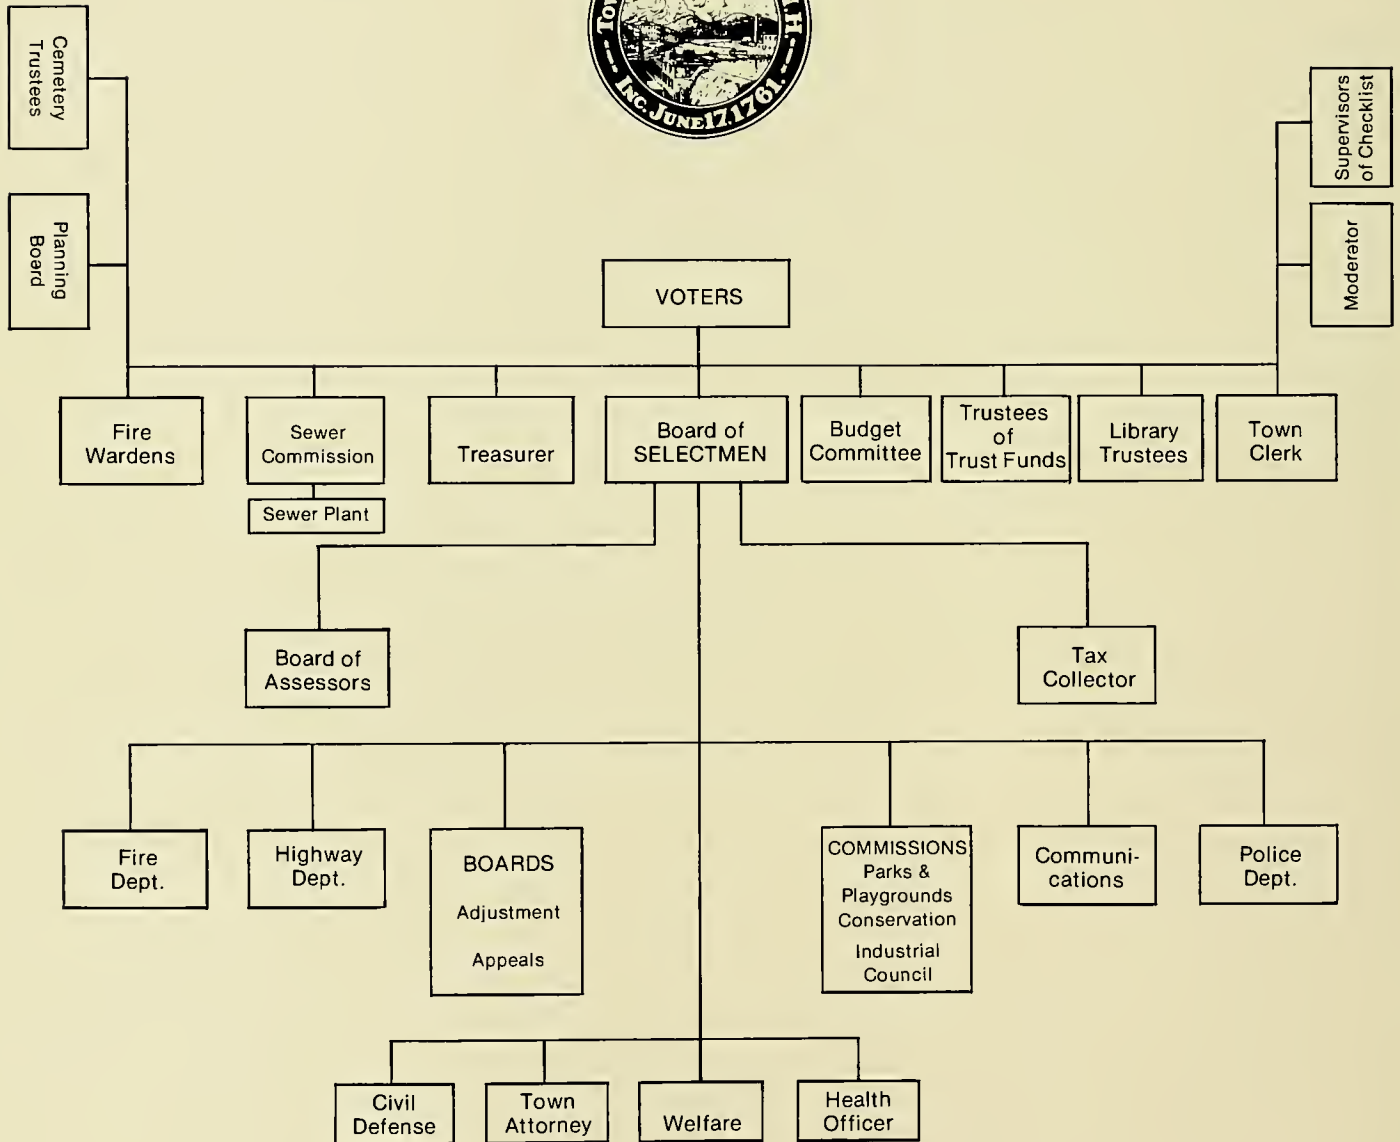

1981 TOWN REPORT

ON THE MOVE

Town of Goffstown Organization

Dedication

This 1981 Town Report is dedicated to

HENRY T. GRADY

Who has served the Town of Goffstown for many years

SELECTMAN for 9 years

MEMBER OF THE BUDGET COMMITTEE for 7 years

PLANNING BOARD MEMBER for 9 years

SCHOOL BOARD MEMBER for 6 years

LIBRARY TRUSTEE for 3 years

The people you touched with your patience, kindness and even-handedness certainly appreciate it. Your fellow members of all the boards you served on, miss your wisdom and understanding. Your time and unselfish dedication are remembered now, and will be remembered for many years to come.

THANK YOU, HENRY

Selectmen's Report 1981

We are pleased to submit this 1981 Town Report for the Town of Goffstown. This report includes all of the required budgetary, accounting, and other statistical information, as well as reports from department heads, Town committees, boards, etc., for the past year.

Our cover theme, "Goffstown On the Move", is a positive one, reflecting the feeling of this Board about our town and its future.

The year 1981 was one of considerable progress; many large projects were undertaken successfully. Very necessary water distribution improvements were completed in Grasmere, with the replacement of the old water lines which were constantly in need of repair, with new larger pipes; including a river-crossing pipe which was custom designed for the project.

Problems with unsafe drinking water on Pershing, Haig, Foch, Ridge and Lorraine streets were resolved with the extension of Manchester Water Works' lines to the homes in those areas.

New underdrainage facilities were installed by the Highway Department on portions of Higgins, Plummer and Cross streets, with additional streets to be included this year.

A housing rehabilitation program was begun in the Pinardville area. Under this program, housing for qualified applicants of

low and moderate income will be repaired and renovated with the aid of grants and/or low interest loans. By the end of 1981, twenty-one housing units in the area were approved for rehabilitation.

Also in the Grasmere area, repairs were made to Henry Bridge, substantially strengthening it.

You will notice that this report contains more photographs than reports in the past. This is an endeavor to make us all aware of the many dedicated citizens of the town who are donating their time in an effort to make Goffstown a better community in which to live. Their contributions are immeasurable, and we sincerely thank them. We also wish to thank the town employees for their outstanding service.

Finally, we wish to thank you, the citizens of Goffstown, for your participation and input throughout the year. We appreciate your support, and extend an invitation for more of you to become involved in matters affecting the town. The more informed and knowledgeable we all become, the more capable we will all be of working together in the best interests of the entire community.

BOARD OF SELECTMEN

John C. Sarette, Chmn.
E. Bruce Bynum
Robert L. Wheeler

SELECTMEN'S OFFICE — Selectmen: Robert L. Wheeler, John C. Sarette, Chmn., E. Bruce Bynum. (Seated: Marie Boyle, Administrative Assistant and Josie Beebe, Selectmen's Secretary.

TOWN HALL PERSONNEL — L-R: Rita Underwood, Tax Collector; Peg Neves, Clerk; Marlene Gamans, Clerk; Elaine Emerton, Town Clerk.

TOWN HALL PERSONNEL — Helen Skoglund, Bookkeeper; Ruth Gage, Accountant; Doris Ducharme, Assessing Dept.; Vivian Blondeau, Bldg. Dept.; Marie Boyle, Admin. Asst.; Josie Beebe, Selectmen's Secy.

1982 Goffstown Town Warrant

To the inhabitants of the Town of Goffstown in the County of Hillsborough, State of New Hampshire, qualified to vote in Town Affairs and to the inhabitants of the School District in the Town of Goffstown qualified to vote in School District Affairs:

You are hereby notified to meet at the Goffstown High School in said Town on Tuesday, the 9th day of March at six o'clock in the forenoon to act on the following subjects:

The polls will open at 6:00 A.M. and close at 6:00 P.M. in the Fifth District Bartlett School.

You are hereby notified to meet at the Goffstown High School on Saturday, March 13, 1982 at 1:00 P.M. where the business meeting will take place.

None of the articles in the warrant, except those relating to the election of officers and those covering questions on the ballot shall be considered during the time that the polls are open.

ARTICLE 1

To choose all Town Officers, Trustees and Commissioners and School District Officers for the ensuing years, including a member of the Board of Selectmen for three years.

ARTICLE 2

Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a N.H. resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence. (By Ballot)

ARTICLE 3

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Change part of lot 37, map 3, located at corner of Daniel Plummer Road and Mast Road, from a classification of industrial zone to a classification of commercial zone. Lot consists of 5 acres. (By Official Ballot) (Approved by Planning Board)

ARTICLE 4

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Ordinance as follows: Change map 5, lot 95, located on Wallace Road, from a classification of partly agricultural - 1 and residential - 1 to a classification of fully residential - 1. (By Official Ballot) (Approved by Planning Board)

ARTICLE 5

Are you in favor of the adoption of Amendment No. 3 as proposed by the petition of voters of this town as follows: Change map 3, lot 32, located at corner of Daniel Plummer Road and St. Anselm's Drive, from a classification of industrial to a classification of commercial zone. (By Official Ballot) (Approved by Planning Board)

ARTICLE 6

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Delete Article V, Section G . . . Flood-Plain District of the Goffstown Zoning Ordinances, now covered by HUD Flood Plains. Land involved to be zoned as follows:

Residential 1:	Map 7	Lots 2, 3, 8, 9, 10, 13, 13-1, 13-2, 13-3, 13-4, 27 and 27-1.
	Map 4	Lots 61, 63 and 64
Industrial:	Map 34	Lots 71, 72, 73, 74 and 75
	Map 37	Lots 1, 3, 4, 5 and 6
Commercial:	Map 34	Lots 65, 69 and 70.

(By Official Ballot) (Approved by Planning Board)

ARTICLE 7

Are you in favor of the adoption of Amendment No. 4 as proposed by the petition of voters of this town as follows: Change map 30, lots 44 & 45, located at corner of South Mast and East Union Streets, from a classification of residential-1 to a classification of limited commercial zone. (By Official Ballot) (Not approved by Planning Board)

ARTICLE 8

To see if the Town will vote to abolish the elective method of designating the members of the Planning Board, and to authorize and direct the Selectmen to appoint persons to fill any vacancy on the Planning Board occurring on or after Town Meeting 1982 as authorized by RSA 36:4, 11-a. (By petition)

ARTICLE 9

To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred (\$1,500.00) Dollars to defray in part the site rental expense to the Elderly Nutrition Program. (By petition) (Recommended by Budget Committee)

ARTICLE 10

To see if the Town will vote to authorize the purchase of an Eductor truck, for an amount not to exceed \$120,000; \$59,000 to be withdrawn from the Highway Department Capital Reserve fund, and \$61,000 to be raised by taxes. (Recommended by Budget Committee)

ARTICLE 11

To see if the Town will vote to raise and appropriate the sum of \$5,832.00 to be paid to the Visiting Nurse Association and Home Health Care Agency of Greater Manchester, Inc. to defray the costs of the agency's activities in the Town. (By petition) (Recommended by Budget Committee)

ARTICLE 12

To see if the Town of Goffstown will raise and appropriate the sum of Twenty-Three Thousand Six Hundred and Fifteen Dollars, (\$23,615.00) to replace existing alarm cable and add new cable along Mast Road to Pinardville, and to replace the existing alarm panel in the central fire station. (By petition) (Recommended by Budget Committee)

ARTICLE 13

To see if the Town of Goffstown will vote to authorize the purchase of a combination Ladder and Pumper Fire Truck for an amount of \$200,000 to replace Engine Four, a 1957 Ford, in the Pinardville Fire Station.

And to authorize the withdrawal of \$18,000.00 from the Fire Department Capital Reserve Fund and the remaining \$182,000.00 to be raised by taxes. (By petition) (Recommended by Budget Committee)

ARTICLE 14

To see if the Town will vote to raise and appropriate the sum of \$21,500.00, to conduct an engineering survey of Henry Bridge to include a condition survey, a stress analysis, plans, specifications and estimates for necessary contract work. (Recommended by Budget Committee)

ARTICLE 15

To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the specific purposes and in amounts indicated herewith or take any other action hereon:

Town Officers Expenses	\$ 15,000.00
Police Department	60,000.00
Fire Department	40,000.00
Communications	20,000.00
Summer Roads	18,000.00
Parks and Recreation	20,000.00
Town Insurance	30,000.00
Street Lighting	15,000.00
Sanitation	25,000.00
	<hr/>
	\$243,000.00

(Recommended by Budget Committee)

ARTICLE 16

To see if the Town will vote to discontinue public rights in a portion of Rundlett Hill Road as formerly traveled from the north line of land of Ralph D. and Carolyn L. Underwood (being about

143.53 feet northerly of the stone wall believed to be on the Goffstown-Bedford Town Line) northerly across land of the Order of St. Benedict of New Hampshire to St. Anselm's Drive at or near the intersection with College Road. The portion to be discontinued measures approximately 1975 feet in length and is shown on a plan entitled "Plan of Land, St. Anselm's College, Goffstown, N.H." by Thomas F. Moran, Inc. and dated October 9, 1980. It is also intended that the Selectmen be authorized to accept a Warranty Deed from the Order of St. Benedict of New Hampshire for a public road in a new location in lieu of the above discontinued road, pursuant to New Hampshire RSA Chapter 238:1.

ARTICLE 17

To see if the Town will vote to discontinue public rights on Rundlett Hill Road from the Bedford/Goffstown Town Line to the intersection of St. Anselm's Drive, and authorize the Board of Selectmen to deed this property to the Order of St. Benedict of New Hampshire.

ARTICLE 18

To see if the Town will vote to discontinue public rights in a portion of Center Street as formerly traveled beginning at the intersection of the old traveled way with the present traveled way near the junction of Center Street with Elm Street and Locust Hill Road (at or near Sta. 104+00 as shown on a plan by the New Hampshire Department of Public Works and Highways, Bridge Design Section, of Bridge No. 129/116, Project #T-1715, File #3-15-1-11, Sheet 4, dated 1971 and revised June 1972) and running easterly to the intersection of the new and old traveled ways at or near the intersection of Center Street with Tibbetts Hill Road (at about Sta. 110+50 as shown on said plan) and measuring about 675 feet in length. The only portions of the old road right-of-way to be discontinued by this measure are those lying greater than 25 feet from the centerline of the new traveled way. Also reserving from this discontinuance the right of the town to maintain existing storm drainage lines, and the right of the Water Precinct to maintain water service lines within the old right-of-way, pursuant to New Hampshire RSA 238:1.

ARTICLE 19

To see whether the Town will vote to establish an historic district commission under RSA 31:89-a: 89-1 which consists of 7 members; all shall be residents of the Town, one shall be a member of the Board of Selectmen, the rest shall be appointed by the Board of Selectmen for three year terms with initial appointments staggered so that 2 members serve for one year, 2 members serve for two years and 3 members serve for three years.

ARTICLE 20

To see if the Town of Goffstown will vote to authorize the Goffstown Board of Selectmen to accept a Quitclaim Deed from the Goffstown School District transferring to the Town of Goffstown any and all of said School District's right, title and interest in a section of Park Lane, so-called, in said Town of Goffstown, which section is approximately 30 feet in width and 110 feet in length, more or less, which right, title and interest was acquired

by the Goffstown School District by deed of Roland A. and Dorothy N. Barnard, dated June 14, 1965 and recorded in the Hillsborough County Registry of Deeds August 6, 1965 in Volume 1841, Page 141.

ARTICLE 21

To see if the Town will vote to adopt the provision of RSA 72:66 for a property tax exemption on real property equipped with a wind powered energy system which exemption shall be in an amount of 100% of the cost of said system. (By petition)

ARTICLE 22

To see if the Town will vote to adopt the provisions of RSA 72:62 for a property tax exemption on real property equipped with a solar energy heating or cooling system which exemption shall be in an amount of 100% of the cost of said solar system. (By petition)

ARTICLE 23

To see if the Town will vote to have the Board of Selectmen appoint a committee of five persons, to volunteer their time, to look into the feasibility of changing the town's fiscal year from a calendar year to a July first through June thirtieth fiscal year, and changing the time of the annual Town Meeting from March to May. Said committee to report back its findings to the Board of Selectmen by August 1, 1982, for further consideration by the Board of Selectmen and the Budget Committee, according to the provisions set forth in RSA 31:94-b Section I, as amended August 29, 1973. (By petition)

ARTICLE 24

To see if the Town will vote to authorize the Selectmen to borrow from time to time, such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.

ARTICLE 25

To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-b.

ARTICLE 26

To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed, purchase, prescription or gift.

ARTICLE 27

To see if the Town will vote to authorize the Selectmen to quitclaim by deed to Black Brook Fish and Game Club Lots 43 and 44 as shown on Map 8 formerly owned and taxed to Black Brook Fish and Game Club and acquired by the Town of Goffstown by a tax deed for non payment of 1976 etc. taxes on condition that the said Black Brook Fish and Game Club pay the said Town of Goffstown all of the delinquent taxes, interest and penalties since 1976 in the amount of \$1,712.79.

ARTICLE 28

To see if the Town will vote to raise and appropriate the budget as submitted by the Budget Committee in the amount of Three Million, Two Hundred Twenty-Nine Thousand, Two Hundred Fourteen Dollars and no cents (\$3,229,214.00). (Recommended by the Budget Committee)

Note: This budget will be predicated by estimated revenues in the amount of \$1,501,112.00 and will relate an estimated amount to be raised by taxes of \$1,728,102.00. County Tax and School District Commitment not included.

ARTICLE 29

To hear the reports of Town Officers, Auditors and Committees and to pass any relating thereto.

ARTICLE 30

To transact any other business that may legally come before said meeting.

Given under our hands and seals this 18th day of February, 1982.

John C. Sarette
E. Bruce Bynum
Robert L. Wheeler
Selectmen of the
Town of Goffstown

1981 Town Meeting Minutes

MARCH 10, 1981 — Polls for voting opened at 6:00 AM, moderator read the warrant through the Ballot articles.

The Business meeting was called to order Saturday, MARCH 14, 1981 at 1:10 PM by Moderator Rodney Stark.

The presentation of the Flag was conducted by Cub Scouts Mark Grenier, Timothy Morgrage, Michael Nault and James Jones. The salute to the Flag followed.

Introduction of the Town Officers was followed by a tribute given by E. B. Nickerson to retiring Selectman Henry T. Grady, followed by a motion that, Tuesday, March 17, St. Patrick's Day, be dedicated as "HENRY T. GRADY" Day. Standing ovation followed. The Moderator announced that Boy Scouts and Girl Scouts of Goffstown are helping to keep Goffstown clean with their Community Projects.

Explanation of function of the Moderator and rules of conduct of meeting stated by the moderator followed by reading of the attesting of posting the Warrant.

ART. 1 Nominations from the floor were made for FIRE WARDEN. Marcel Yergeau was nominated by E. Moquin, Joseph Champagne nominated by Bob Rollins — declined by Mr. Champagne. Nominations ceased by Peter Jenkins with vote for Mr. Yergeau by voice vote — Aye, Loud — No, none.
Nomination for Cemetery Trustee of Clinton Rising by Robert L. Wheeler — Vote in the affirmative. Also moved by Henry T. Grady and voted to dispense with reading of the warrant. Yergeau and Rising were declared elected.

ART. 8 RE: appropriating a Town budget that will not exceed 7%.
Article was read by E. B. Bynum who moved to dismiss the article due to improper wording of the article. Dismissed by voice vote, AYE—loud, NO—faint.

ART. 9 RE: appropriations of funds for communications center. Article read by Paul Ouellette, recommended by H. Grady to defeat article. Question — total budget? Answer — \$120,000.00. Discussion followed that the communications center utilized extensively by the Town, and why the Town of 12,000 population pays \$70,000. and the remaining Hillsborough County towns pay \$30,000.? E. B. Nickerson recommended voting the article down. Voice vote, AYE, faint — NO, loud. Moderator declared article defeated.

ART. 10 RE: Budget committee publishing line-item budget. Article read by P. Ouellette, discussion followed that a line-item would help voters be prepared, that the Budget committee follows vote of the voters, and that the hearings are for questions and answers to encourage citizens participation. Quote by the Goffstown News of \$500. - \$3000. by Union Leader. Suggested "Stick with local Goffstown News". Vote, AYE, loud — NO, some. Moderator declared article passed. (adopted)

ART. 11 RE: to abolish rubbish removal. Article read by Moderator. Discussion by Bill Hamilton in favor of abolishing rubbish removal as a town service.

Question by Holly Abrams, would it increase cost for dump employees? Answer by H. T. Grady that no plans have been made as no research has been done. More help would be needed to cover area due to number of residents that would have to use area. Problems would include traffic control, excessive refuse not being buried immediately, etc.

Question by Mr. Beck how many employees needed when service was first implemented? any plans for cost of equipment?

Motion by T. Campagne to lay Art. 11 on table, AYE, faint — NO, loud. Moved and voted to stop discussion — moderator read article, Vote AYE, faint, NO, Loud. Moderator declared article defeated.

ART. 12 RE: Town to vote to read and act on articles prior to reading budget. Moderator stated it will be omitted as it has already been voted on.

ART. 13 RE: to authorize Selectmen to appoint an Historic District Commission.

Article read by moderator, moved and seconded by E. B. Bynum. P. Peabody stated that no appropriations needed and there is a small Federal grant awarded, \$2500. for period of one year to be used now in village area — Grasmere and Pinardville in future years. Questions as to purposes, monetary value to owners and why village first as Pinardville had first town meeting. Answers, it would mean special zoning, property protection and controlled with owners able to get loans at low interest rate.

Vote — voice vote, AYE, loud, NO, some. Moderator declared article adopted.

ART. 14 RE: site plans approval or disapproval by Planning Board.

Moderator read article, discussion for art. followed — P. Bedard explained the advantages of checking more closely on commercial zoned and industrial land and the power to check site plans, traffic control on multi-family dwellings, etc. If article does not pass, the Planning Board will have no right to review sites, that this has been a state statute for the past few years and is now on warrant for Town meeting approval. It will also prevent rapid commercial development in town.

2:25 P.M. — At this time the Volunteer Firemen left the meeting to answer a fire alarm.

Moved and voted the previous question. Moderator read article again.

Voice vote — AYE, loud — NO, few, moderator declared article adopted.

ART. 15 RE: Hillsborough County maximum security institution in Goffstown.

Article read by E. B. Nickerson when moderator asked for petitioner to read petition. Mr. Nickerson spoke against having the Penal institution in Goffstown and moved adoption of the Proclamation. It was explained that there would be a hearing but the present jail was built without a hearing. It was asked that the words "maximum security" be defined and was answered by the word "JAIL." Explained that it would cost the town

dollars and problems. Amendment to delete "maximum security" and put in after institution, "OR JAIL" to read — "to erect a penal institution or jail in said Town of Goffstown." Positive vote on amendment with Loud AYE, NO, none.

Vote on main article AYE, loud — No, faint — Moderator declared article adopted as amended.

ART. 16 RE: purchase of two four wheel drive dump trucks.

Moderator read article, moved by J. Sarette. Discussion followed by Mr. Perry for Highway Dept. At present they have a 1961 Dodge purchased from the ARMY and can no longer get parts for it. The cemetery dept. is now digging double graves 9' deep with a backhoe and the truck is not large enough. The 1974 pickup truck is 7 years old and in need of repair. This new equipment would replace, not add to town equipment. The question to the budget comm. objections is the cost of the equipment at this time and that trucks to purchase from the Army now are hard to find. Mr. Perry was asked if this would keep the men from performing their highway duties and he said no, they would be able to keep on just the same, perhaps a little slower.

Vote on the article — AYE, few — NO, Loud. Moderator declared art. defeated.

ART. 17 RE: sidewalk construction on Depot St.

Article read by moderator, moved by H. T. Grady. Amendment presented by Mr. John Webster: "only to take effect if the POST OFFICE is under construction on Depot St. within one year period from the date." Amendment vote, AYE faint, No, none. Amendment passed.

It was asked by Bldg. Inspector, Mr. Gaudreault, if the amendment passes that the Post Office decides to build, will the town be committed to spend \$75,000. to upgrade the roads or will the developer do it? The answer was that the Town will have to do it, the developer will definitely not do the paving. Discussion re: property taxes generated by having the post office on Depot St., answer that no more advantage there than on any other site. Gerald Sterling spoke in regards to keeping the developer from building the P.O. on the Villa Land near his Angel Point property. Voice vote — AYE moderate — NO, Loud.

L. Emerton called for a standing vote. At this time counters were named by Moderator: Larry Emerton, Ken Wall, Scott Robinson, Dave Packard, Donna Kelly, Helen Skoglund, Mary Martin and Holly Abrams.

Standing vote results: YES, 129 — NO, 214. Moderator declared art. defeated.

ART. 18 RE: Purchase of Fire Dept. Ladder/pumper.

Article read by Moderator. Moved by P. Jenkins, stating the advantages of the purchase: more chimney fires due to more wood burning, more Life Safety code requirements etc. The insurance board investigation acquired low points for the Dept. The new purchase would replace the 24 year old truck and would use diesel fuel to cut cost of the present fuel use in half.

R. L. Wheeler spoke against purchase due to the cost and commended the fine job the Fire Dept. does.

Vote on the article, AYE, few — NO, Loud. Moderator declared art. defeated.

ART. 19 RE: Purchase of Fire Dept. Attack Pumper.

Moderator read article. Move by P. Jenkins who was asked the question of why, \$17,000. withdrawal from the Capital Reserve Fund? The answer was — "it is all that is left in the fund" — J. Stafford spoke reluctantly against but due to the Town's large budget increase over last year's budget felt it necessary. Previous question moved and voted.

Vote on main article, voice vote — AYE, few — NO, loud. Moderator declared art. defeated.

ART. 20 RE: appropriation of funds for Visiting Nurse Association.

Article read by moderator, moved by R. Lariviere who spoke for the VNA. Statement by J. Clougherty of how the VNA made visits to his wife after her hospitalization with tracheotomy. It was stated that this \$ can be legally paid because it is a non-profit organization and Grace Gage, R.N. stated that this is the first time in 85 years that the VNA has asked for aid. Voice vote — AYE, loud — No, very faint. Moderator declared article adopted.

ART. 21 RE: reimbursement for bus transportation.

Article read by moderator, Moved by H.T. Grady — discussion followed re: other alternatives for transportation especially for students and the elderly who ride the buses, also re: connecting school buses to the Manchester Transit Authority. Voice vote — Aye, some — No, loud. Mrs. D. Little asked for standing vote — YES, 113 — NO, 170. Moderator declared article defeated.

ART. 22 RE: Limitation of spending by any city, town to 50%.

Article read by moderator, moved and favored by T. Campaign, R. W. Wheeler spoke against the petition, Mr. McKenzie favored. R. L. Wheeler stated the effect would be "political clout" and that limiting the action of the voters has a harnessing impact. Mr. D. Duval moved to amend: "except by 2/3 vote of those attending the Town Meeting." Discussion followed re: state dictating and mandating the Town action. Moved previous question by AYE vote. Vote on amendment results — AYE, few — No, Loud. Moderator declared amendment defeated. More discussion ensued re: "5% cap" would effect many areas, water precincts etc. Mr. McKenzie overruled by Moderator re: reading a language paragraph.

L. A. Emerton moved to postpone article indefinitely — Has no value to present this to state. Voice vote, AYE, loud — No, some.

Moderator declared the article postponed indefinitely.

ART. 23 RE: Bids on all purchases in excess of \$499.00.

Article read by moderator. Motion made to dismiss the article — some discussion for and against dismissing. Voice vote — AYE, many — NO, few. Moderator declared article dismissed.

ART. 24 RE: One year freeze on expenditures capital outlay 1981.

Article read by moderator. Motion made to withdraw article. Voice vote, AYE, loud — NO, few. Moderator declared article withdrawn.

ART. 25 RE: Bids on Insurance policies due for renewal.

- Article read by moderator, moved and discussion followed, stating there are several different policies for the Town; medical, Workmen's Comp., etc. Voice vote — AYE, few — NO, loud. Article declared defeated by moderator.
- ART. 26 RE: Appropriation of \$10,881. to repair leaking Fire Sta. roof.
Article read by moderator, moved and chief Fletcher stated that the hole in the roof was patched several years ago by Therrien Roofing and has been leaking for the past 5 yrs. Will be put out to bid and get the best money deal. Voice vote — AYE, loud — NO, one. Moderator declared article adopted.
- ART. 27 RE: Appropriation of \$6500. to purchase 22 acres.
Article read by moderator, moved by J. Sarette who stated the land is for future sewage disposal — discussion followed that investigations into all areas have not been adequate. Moved and voted question. Voice vote — AYE, loud — NO, louder. Moderator called for standing vote.
Results: YES-154 — NO-90, Moderator declared article adopted.
- ART. 28 RE: withdrawal from Revenue Sharing Fund \$250,000.
Article read by moderator, moved by H.T. Grady, answered the question if this will reduce taxes and increase income on the budget — yes.
Voice vote, AYE, loud — NO, none. Moderator declared article adopted.
- ART. 29 RE: Authorization to apply for and expend \$534,000. — HUD.
Article read by moderator, moved article, discussion ensued; if the money has already been appropriated? Answer, 99% sure and with no cost to Town with time limitation of three years.
Voice vote, AYE, loud — NO, none. Moderator declared article passed.
- 5:30 P.M. (for the record) at this time, the Volunteer Ambulance crew left on an emergency call.
- ART. 30 RE: Appropriation of approximately \$33,000. to install 8" water main.
Article read by moderator — Motion to dismiss, voice vote, AYE, loud — NO, none. Moderator declared article dismissed.
- ART. 31 RE: to see if Town will accept responsibility of Ambulance service.
Moderator read article. Moved by E. Hunter who explained how the service first started — there have been 252 calls in the past 9 months since June 13, 1980; Heart Attacks, Accidents, etc. Voice vote — AYE, loud — NO, two. Moderator declared article adopted.
L. A. Emerton asked for and received a rising vote of thanks for all who were involved in starting the Ambulance Service, all the volunteers and all who have supported it.
- ART. 32 RE: authority to dispose of any Real Estate acquired by Town.
Moderator read article. K. McRae asked that the following be added — "by Public Auction." No objection and it was stated that these sales are posted. Voice vote followed — AYE, loud — NO, few. Moderator declared article adopted.
- ART. 33 RE: application for, receive and expend Fed. or State Grants.
Moderator read article. It was so moved, voice vote, AYE, loud — NO, none. Moderator declared article passed.
- ART. 34 RE: adoption of budget \$3,247,003.
(See Adendum)
Moderator read article, moved by R. L. Wheeler in the amount of \$3,230,860. Explained that due to voting of previous articles in this warrant. R. L. Wheeler was asked to yield the floor for reconsideration of Art. #17 — Mr. Wheeler refused to yield, and moved to add \$3000. to budget amount. M. L. Filteau presented amendment to reduce the budget figure by \$2573. with regards to Art. 10 (line-item in newspaper) referring to the Goffstown News estimated printing figure in the newspaper. Amendment vote, AYE, loud — NO, few. Moderator declared amendment adopted with figure now \$3,228.87. D. Duval asked for cuts in certain courses offered, ie; Child Care I and II, Weight Lifting, etc. and to reduce the \$ figure to \$3,000,000. Budget committee member F. Gamache stated that the committee had spent many hours analyzing and preparing this budget and that they did their work with the Town's best interests in mind. Voice vote, AYE, faint — NO, loud, Moderator declared amendment defeated.
Voice vote on article as first amended — AYE, Loud — NO, few. Moderator declared the article adopted as amended.
- ART. 35 RE: Reports of Town Officers.
Art. read by Moderator, there being no reports the article was dismissed.
- ART. 36 RE: Transaction of any other business.
Article read by Moderator who stated at this time of the omission of the authorization of Selectmen to borrow from time to time, such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town. Inadvertently this was left out of the original warrant. The following was presented in writing:
"To see if the Town will vote to authorize the Selectmen to borrow from time to time, such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town."
The vote: AYE, Loud, unanimous vote with No's, None.
This article declared adopted by the Moderator.
The Moderator recognized Mr. John Webster who moved to reconsider ART. 17. It was seconded. Discussion followed whether re-consideration was "in order" The amendment to Art. 17 passed but the complete article was defeated. The vote to reconsider this article by voice vote — AYE, few — NO, Loud. The moderator declared the reconsideration defeated.
Mr. E. B. Nickerson stated the acknowledgement to Mr. George T. Aimo, who served the Town as Town Clerk for many (18) years and for a vote of Thanks from the Town Meeting.
- 6:15 P.M. The moderator moved to adjourn the meeting and the vote was unanimous.

ARTICLE 2

Are you in favor of the adoption of the building code amendment to the existing town building code ordinance to update the Boca Basic Building Code from 1974 to 1978 as proposed by the Planning Board? (Approved by Planning Board)

YES — 1120	NO — 559	ADOPTED
------------	----------	---------

ARTICLE 3

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article VI, Section B-8 to read: All plans and details of specifications to be presented to the Planning Board shall be prepared by a landscape architect or civil engineer. (Approved by Planning Board)

YES — 790	NO — 915	LOST
-----------	----------	------

ARTICLE 4

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To change map 34, lots 77 and 78 on Depot St. from a zoning of industrial to commercial. (About ¾ acre). (Approved by Planning Board)

YES — 1181	NO — 523	ADOPTED
------------	----------	---------

ARTICLE 5

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend the Goffstown Zoning Ordinance by changing Article V Section C 2a, to read: "Any use permitted in the Residential Districts" (Approved by Planning Board)

YES — 902	NO — 670	ADOPTED
-----------	----------	---------

ARTICLE 6

Are you in favor of the adoption of Amendment NO. 4 to the Zoning Ordinance as proposed by petition of voters of this town as follows: To see if the Town will vote to add to Article V, District Regulations a new section H, Limited Commercial District (LC); permitted uses in said district shall only be for the following public services: (a) governmental offices, including a United States Post Office, and offices of local, county, state and federal agencies; (b) financial services, which shall include banking offices, insurance agencies, mortgage and loan companies. This zone shall not include any retail or wholesale use, or restaurants or other types of eating establishments. General Area and Dimensional Requirements and Off-Street Parking and Loading Requirements shall be the same as Article V,E, Commercial District (C), Sec. 4 (a) to (e) and Sec. 5. A landscaped buffer strip shall be maintained at least 10 feet in width and 6 feet in height along the side and rear lot lines abutting a Residential District. The area to be included in the Limited Commercial District shall be Map 7, Lot 72, Goffstown Tax Maps (Cemetery Field). (Not approved by Planning Board)

YES — 505	NO — 1122	LOST
-----------	-----------	------

ARTICLE 7

Are you in favor of the adoption of Amendment No. 5 to the Zoning Ordinance as proposed by petition of voters of this town as follows: To see if the Town will vote to add to Article V, District Regulations a new section H, Limited Commercial District (LC); permitted uses in said district shall only be for the following public services: (a) governmental offices, including a United States Post Office, and offices of local, county, state and federal agencies; (b) financial services, which shall include banking offices, insurance agencies, mortgage and loan companies. This zone shall not include any retail or wholesale use, or restaurants or other types of eating establishments. General area and Dimensional Requirements and Off-Street parking and loading Requirements shall be the same as Article V,E, Commercial District (c) Sec. 4 (a) to (e) and Sec. 5. A landscaped buffer strip shall be maintained at least 10 feet in width and 6 feet in height along the side and rear lot lines abutting a Residential District. The area to be included in the Limited Commercial District shall be Map 4, lot 87-5 Goffstown Tax Maps (Entry to Placid Woods at Mountain Road). (Recommended by Planning Board)

YES — 800	NO — 785	ADOPTED
-----------	----------	---------

TOWN CLERKS

*Each day of the year, we try to help.
We license dogs that sometimes yelp.
We register cars, one after the other.
It might be for sister or even for brother.*

*We title the cars for ten years back
For things to do, we never lack.
Births, deaths and marriages — we quickly record.
Errors on THESE we cannot afford.*

*We record the minutes at all the town meetings.
And welcome the people and extend our greetings.
We also file the dredge and fill forms.
We're at the office — even in storms.*

*Some of us register people to vote,
And some also issue a plate for a boat.
We give out the forms for driver's license apps;
We even sell ordinance books, as well as Town maps.*

*We answer questions on a daily basis.
Sometimes we feel like we're at the races.
We tell the people when the Planning Board will meet,
And the hours of the dump — we often repeat.*

*We give out emergency numbers to all.
And help those leaving for Florida in the Fall.
And on and on our duties go,
As this little poem will surely show.*

*We're busy little beavers all the day
Doing our best along the way.*

*By Bettie Ouellette, Pres.
N.H. City & Town
Clerks Assn.*

ADDENDUM TO ARTICLE #34 1981 GOFFSTOWN TOWN MEETING MINUTES

Auditor's Opinion

Compliance Opinion

Board of Selectmen
Town of Goffstown
Goffstown, New Hampshire

Clerk of District Court
Town Hall
Goffstown, New Hampshire

I have examined the financial statements for the funds and accounts groups of the Town of Goffstown for the year ended December 31, 1980 listed in the foregoing table of contents. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of such funds and account groups of the Town of Goffstown at December 31, 1980 and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding years.

The accompanying supplemental schedules and related information are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and, in my opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Patrick J. Kelly
Certified Public Accountant

I have examined the financial statement of the various funds and account groups of the Town of Goffstown for the year ended December 31, 1980, and have issued my report thereon, dated August 28, 1981. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such test of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In connection with my examination, I also performed tests of compliance with the **Audit Guide and Standards for District and Municipal Courts** issued by the Office of the Administrative Committee of District and Municipal Courts. My findings are set forth below:

The Court is in substantial compliance with the aforementioned audit guide.

No deficiencies brought to the attention of the Court in prior audit reports remain unresolved.

Patrick J. Kelly
Certified Public Accountant

EXPLANATORY NOTES:

- (1) Expended for purchase of Highway equipment
(2) Includes dividends for stock funds.

- (3) Divided equally to T. Butterfield Library & Cemetery Funds.
(4) Included in W. Richards Barnard Playground Fund.
(5) Included in W. Richards Historical Fund Income.

Trustees of Trust Funds

During the year 1981, as Trustees of the Trust Funds, we concluded that a complete review of our investments was necessary in the changing economy.
Therefore, we closed our Savings Accounts earning 5½ % interest, and most of the Certificates that were purchased at 7.5 % for 2½ years. These monies were reinvested at a considerable improvement in earnings.

We do not feel that the future direction of our economy warrants long term investments, making six-month investment periods most desirable to maintain financial flexibility in order to take advantage of maximum earnings.

James T. McKenna

Leonard R. Crotty

Highway Department

The Goffstown Highway Department carried on the usual work and upkeep this past year; and in addition, installed a new culvert with new guard rails, regraded the road, loamed and seeded the bankings and hot-topped a section of Paige Hill Road.

Approximately 80% of the new underdrainage of the Higgins and Plummer St. area has been completed and many culverts have been replaced throughout the town. Several catchbasins were cleaned, repaired, or completely rebuilt, and we have started major construction on Wallace Rd.

Experimentation with double graves is continuing at the cemetery; also work on our rubbish collection at the sanitary landfill because of the tremendous increase in rubbish accumulation.

Taxpayers are demanding more and better services, even though the costs have risen much over the past year. We have to run two rubbish trucks together on Monday and Wednesday, except for doubling up after each holiday. The containers at Glen Lake and the mountain area are being greatly used by the general public. There are still those who insist on not using the rubbish containers and seem to enjoy the smashing of bottles throughout the beach area where little ones can be badly hurt.

We continued our hot-topping program and also kept very busy checking private contractors throughout the town on new subdivisions. We also stockpiled the usual sand, approximately 5000 yards. Brush and tree cutting was performed throughout the town, with the abutting property owner having first option for the wood.

Our road striping was completed this year, including crosswalks and parking lots. Again, many street and regulatory signs were damaged this year. Vandalism has been even higher on signs as well as on our equipment, than last year.

Some major work was done on the bridge on Henry Bridge Rd. It started out to be a sandblasting and painting job, but after close inspection by the Director of Public Works and personnel from the State Bridge Division, it was discovered that the entire steel of the expansion joint and the north abutment were completely deteriorated beyond safe measures. The steel was replaced with new steel which necessitated closing of the road. Complete removal of all steel and concrete, new pre-fabrication, sandblasting, priming and painting, and major concrete work to the abutment and the roadway using 4500-lb. test concrete reinforced with steel rods on the deck was done.

The department wishes to remind the citizens that the cost of parts and materials has risen dramatically in the past months. Major undercarriage work has been done to both bulldozers. Major work to both loaders, and major transmission work was done to three trucks, all of which has been extremely expensive.

The Highway Department wishes to thank the taxpayers, the Selectmen, Department heads and their employees, and Highway employees for their help and consideration throughout this past year.

Joe Perry
Director of Public Works

Snow clearing operations in full swing

Carol Labrie, Secy., Highway Dept.

Fire Department

The year 1981 has been a busy year for your fire department. We responded to 677 calls in 1981 as compared to 534 calls in 1980. Of the 677 calls, 266 were ambulance responses and 411 were fire related calls. In 1980, there were 166 ambulance calls and 368 fire calls.

At the 1982 Town Meeting in March, the Fire Department will be asking for the replacement of a 1957 Ford pumper located at the Pinardville station. Funds will also be requested to replace the fire alarm panel, and the alarm cable which is forty years old. Included in this request is money to extend the present system to service the Pinardville section.

Two multiple-alarm fires occurred in Goffstown this year. The first was at the Mast Rd. Grain Co. in February, and the fire at the Maple Ave Apartments in October. At the Maple Ave fire, the members of this department did an excellent job in the rescue of six people who were trapped on the upper floors of the building. To be commended is Officer Norman Paul of the Goffstown Police Department who, while on patrol, discovered the fire and alerted many of the residents.

In closing, I would like to thank the citizens of Goffstown, the Board of Selectmen, the Budget Committee, the other Town Departments, the Board of Fire Wardens, and the members of the Fire Department and their families for their support and help this past year.

Chief Richard Fletcher

Police Department

The Police Department received a total of 6,671 complaints during 1981, versus the 6,281 received in 1980. This reflects an increase of 6.2%.

The following categories are a portion of that work-load:

COMPLAINT CATEGORY	1981 Total	1980	% Difference
1. Accidents Investigated	368	364	+ 1.0%
Injuries Sustained	62	91	—31.8%
Fatalities	2	0	+ 200.0%
Summons Issued for			
Violations	206	189	+ 8.9%
Hit & Runs	48	66	—27.2%
Vehicles Involved	653	621	+ 5.1%
2. Assaults	83	89	—6.7%
3. Burglaries	159	142	+ 11.9%
Value of Property Stolen	\$50,433.00	\$48,530.00	
4. Civil Complaints	100	117	—14.5%
5. Courtesy Calls	562	273	+ 105.8%
6. Criminal Mischief	121	144	—15.9%
7. Disorderly Conduct	174	182	—4.3%
8. Dog Complaints	390	235	+ 65.9%
9. Theft Complaints	365	349	+ 4.5%
Value of Property Stolen	\$398,913.00	\$102,185.00	+ 290.3%
10. Motor Vehicle Complaints	518	410	+ 26.3%
11. Narcotics Complaints	27	47	—42.5%
12. Police Information	411	426	—3.5%
13. Robbery	3	2	+ 50.0%
14. Sex Complaints	11	3	+ 266.6%

17. Suspicious Vehicles	216	228	—5.2%

ARRESTS

There were a total of 2,723 arrests made by members of the Goffstown Police Department during 1981. These arrests are categorized by the following:

Criminal Arrests — 764
Motor Vehicle Arrest — 1,959

The following offenses comprise a portion of these two categories:

MOTOR VEHICLE	1981	1980	% Difference
Speed	898	1215	—26.0%
D.W.I.	182	151	+ 20.5%
Operating After Revocation	36	24	+ 50.0%
Reckless Operation	10	8	+ 25.0%
Non-Inspection	394	431	—8.5%

CRIMINAL	1981	1980	% Difference
Escape	6	12	—50.0%
Larceny	38	22	+ 72.7%
Disorderly Conduct	18	35	—48.5%
Burglary	46	26	+ 76.9%
Assault	23	23	---
Possession of Controlled Drug	60	43	+ 39.5%
Illegal Possession of Alcohol	46	51	—9.8%
False Report of Crime	5	2	+ 150.0%
Criminal Mischief	23	23	---
Trespass	13	7	+ 85.7%
Arson	2	1	+ 100.0%
Unregistered Dogs	186	31	+ 500.0%
Resisting Arrest	14	9	+ 55.5%
Criminal Liability to Burglary	3	2	+ 50.0%
Forgery	2	5	—60.0%

PROGRAMS

Several training programs, which are important to the assurance of maintaining a professional standard in the delivery of service, have been on-going with the police department. These include the physical fitness program for all sworn officers, and the firearms training program, conducted on bi-monthly basis.

The Officer Friendly program for elementary students, grades 1-4, continues with officers visiting the classes three times during the school year. This comprehensive positive program is sponsored by the Sears-Roebuck Foundation, and emphasizes positive image building of police for youngsters at an impressionable age.

The members of the Goffstown Police Department wish to take this opportunity to thank the citizens of this community for their continued support in creating a safe and secure environment for everyone.

Respectfully,
Robert J. Wike
Chief of Police

The Communications Center is a vital link in the delivery of efficient law enforcement service to the community.

Building and Zoning Official's Report

Another year has passed, and it was a very gratifying one.

St. Anselm's Humanities and Activities buildings have been completed.

The adult Mobile Home Park on the Back Road has completed phases 1 and 2 of the three phases, along with a recreational building near completion.

We had no problem with this development. Everything the Planning Board, Board of Adjustment, and Building Dept. asked them to do was done. It is always a pleasure to work with people in harmony.

Hydro-Dynamics has completed the installation of a turbine in a building next to Tables, Unlimited; and is now generating electricity to be sold to Public Service Company.

Many zoning complaints have been investigated; some resolved when possible. We will continue to do our best to resolve complaints and to enforce conditions set by the Board of Adjustment and Planning Board.

I continue to manage the Flood Insurance program which controls what buildings, if any, are in the designated flood zones. I report to the federal government each year as to the buildings or additions in these zones.

I attend the Planning Board meetings, to assist them as much as I can.

Our office hours remain the same — 9 am to 10 am and 1 pm to 2 pm. However, if you wish to meet with us at other times, arrangements can be made. The remainder of my time is spent on complaints and inspections.

At this time, I wish to thank the Selectmen, the Fire and Police chiefs, the Road Agent, and the general office staff for their cooperation, especially Mrs. Vivian Blondeau, with whom I work daily. As my secretary, she is very efficient, and an asset to me.

Rehabilitation Committee

The Town of Goffstown was awarded a Small Cities Block Grant in the amount of \$534,000.00 in 1981, part of which was to be used to rehabilitate 47 dwelling units. The target area was Pinardville plus 10%, or approximately 5 units, outside the target area.

Water line extensions were completed on Pershing, Haig, Foch, Lorraine and Ridge Streets, also under this grant.

In July, we advertised for staff positions, leased office space at the professional office building at the corner of Daniel Plummer Road and Mast Road, and equipped it.

After a thorough screening process, we conducted interviews and recommended to the Selectmen the hiring of a Program Coordinator, a Rehab Specialist, and a Clerk-Typist-Receptionist. The program will run 18 months. Mr. George Bridgman was hired as Program Coordinator, Aime Gaudreault as Rehab Specialist, and Gayle Shost as Clerk-Typist-Receptionist.

As of Dec. 1, 1981, 19 direct grants, and two principal-reduction payment applications for financial assistance were approved. Several cases are still pending. The program is progressing well and in our opinion, is ahead of schedule. Our goal is to make this a model program.

At this time, we wish to thank the staff for a job well done, and the Selectmen, who have to finally approve these applications. Also, we wish to thank Jim Tethers of the Southern N.H. Planning Commission, who is the consultant for the Town, for the many hours he has put in and meetings he has attended to assist us. His advice and concern are invaluable. Thanks to Ruth Gage of the Accounting Dept. who keeps all the financial records.

Parks & Recreation

Message from the Director:

The Parks and Recreation Department has endeavored to provide a comprehensive program for residents of all age groups and interests. Activities range from active to passive recreation pursuits. Leisure programming is designed to meet the constructive and wholesome needs of people. We will continue to try to meet those needs for the people of Goffstown.

There are many people who help us throughout the year. Noteworthy are the members of the Parks and Recreation Commission. These volunteers give of their time and talents to make the Parks and Recreation Department as responsive as it is possible to the needs of the community.

Many thanks also must go to the Goffstown School system administration and principals for their cooperation throughout the year in the use of facilities.

Also, much appreciation to the Board of Selectmen, Goffstown Police, Highway, Fire and Water Departments for their cooperation, as well as all the people of Goffstown for their support during 1981.

Respectfully submitted,
David L. French, Director
Parks & Recreation Dept.

Civil Defense

The civil preparedness responsibilities, under the direction of the Director, Robert J. Wike, and deputies Steve Monier and Brad O'Neil, were carried out by the up-date of several planning and training functions.

Charged with the coordination of emergency and follow-up services in the event of a natural or man-made disaster, the civil defense unit fills a necessary and vital link in utilizing local, state and federal assistance when required.

Several years ago an emergency plan was compiled for the Town, which provides specific delineation of responsibilities and duties, if activated by some event. Serving as a road map for emergency service and coordination of assistance, the Basic Plan must be updated on a timely basis. In addition, personnel must be available who are trained in the delivery of service.

Accordingly, during 1981 the Civil Defense program has afforded the opportunity for emergency service personnel to receive training in emergency medical services, hazardous materials handling, and disaster operations. Portions of the plan were updated as required.

To augment the communications capabilities between local and state agencies — vital during an emergency or disaster operation — an additional hand held multi-frequency radio was purchased for civil defense use.

Future civil defense activities include the planning of timely training exercises which will test basic aspects of the plan.

Respectfully,
Stephen R. Monier
Deputy Director

Civil Defense Director Robert J. Wike (left) discusses communications capabilities with deputy director Steve Monier.

Librarian's Report

The librarian, and co-workers Betsy Elliott, Helen Leahy and Chris McSweeney, with the support of the library trustees, worked in harmony the past year to make available to the community such goods and services as we could, given the limits of our space and budget.

Aside from the usual additions to our book collection and the normal amount of discarding of older materials, no major changes are apparent in the facility. We did spruce up the foyer by having the marble floor thoroughly cleaned and purchasing a new red rug to protect and brighten the area.

At the end of the year we received as a gift, from the Gordon Burns Insurance Agency, a copy machine which will be for public use, and useful to the library as well. We are deeply grateful.

Mrs. Elliott, our Children's Librarian, maintained a busy schedule last year, which included two weekly story hours, both morning and afternoon; special displays during Book Week and on several other occasions; another Summer Reading Program for elementary age children; and instructional sessions in the use of the card catalog for older students.

We maintained bookmobile service another year, adding one new stop at Medford Farms, and running a three-month trial stop at Goffstown Plaza on Thursday nights. The best response to the bookmobile continues to be the weekly visits to the Villa Augustina.

At year's end the trustees decided that the library should become active in Hills-town Coop, a loose knit organization of area libraries banded together for co-operative book purchasing and efficient interlibrary lending of books, recordings, magazines, etc. The librarian is to represent Goffstown at the monthly meetings of this organization.

We remind the community that our schedule was changed this year; dropping Friday night hours, and adding the same number of hours to the Saturday schedule. This seems to be a good change and keeps the library accessible six days a week, an acceptable level for communities of our size and population.

One noteworthy addition to our book collection this year was a group of about fifty large-print books, the cost of which is to be defrayed by proceeds from the sale of a cook book published and sold by the Goffstown Lions Club Ladies Auxiliary. We thank the club for their interest and support.

Indeed we thank all from the community who support our efforts here and make our work seem worthwhile.

H. Donley Wray
Librarian

GOFFSTOWN LIBRARY TRUSTEES — Arline Fletcher, Janet Bartels, Karen McRae, Holly Abrams, Chmn., Kathy Hudson, Josephine Weillbrenner.

Planning Board

Economic conditions are certainly a major factor in determining the amount of activity which confronts a Planning Board. Demand for housing units and commercial and industrial expansion are all tied to the perception of what the economy is, and what it is going to be. While the past year has not been one of severe growth pressures, the Planning Board did have a fair number of subdivision and site-plan review requests. The Board has made every effort to employ a balanced approach when dealing with these requests.

In line with community goals and objectives, residential growth was held to a reasonable level. Several industrial sites were also approved. These industrial facilities, now nearing completion, will be a benefit to Goffstown; first, because of job opportunities, and second, because they will be a much needed source of new revenue. It should be noted here that the input received by the Comprehensive Planning Advisory Board and the Planning Board through questionnaires and public forums, stated very clearly that most people in Goffstown wanted some industrial development for those two reasons.

The planning process is an ongoing endeavor which affects us all. It is with this in mind that the Board has begun to consider adoption of a Master or Comprehensive Plan. The Master Plan itself is the careful product of a great deal of time and hard work by the Comprehensive Planning Advisory Board, the Planning Board, and professional planning consultants. Once adopted, the Master Plan, in conjunction with a Capital Improvement Program, will serve as a guide to enable the Planning Board to function more effectively and efficiently.

Milton Meyers, Chmn.
Goffstown Planning Board

PLANNING BOARD — Doris Ducharme, Secy., Paul Bedard, Milton Meyers, Chmn., Ed Moquin, Tom Lee, Fred Jennings, E. Bruce Bynum, Selectman. (Absent from photo: Arthur Rose).

Comprehensive Planning

In March of 1979, the Town authorized the Selectmen to form a Citizen's Advisory Board to study the need for the development of a new Comprehensive Plan. As a result, The Goffstown Comprehensive Planning Advisory Board (GCPAB) began meeting in June of 1979. After meeting almost weekly for six months and holding several public hearings, the GCPAB recommended that the Town appropriate \$25,000 for retaining a planning consultant to develop a new Comprehensive Plan. At the March 1980 Town Meeting, that recommendation was approved and the process of developing a new Comprehensive Plan began.

Over the last 18 months, the Planning Board, the GCPAB, and the Thoresen Group of Portsmouth, New Hampshire (the Town's planning consultant) have worked to develop a new Comprehensive Plan. During this period, the GCPAB has met bi-weekly, often in joint meetings with the Planning Board. A questionnaire was distributed in November of 1980 which received over 850 responses from Goffstown citizens. Public forums were held in November of 1980, June of 1981, and November of 1981. Major portions of the proposed Comprehensive Plan were published in the Goffstown News over the summer of 1981. All Town officials and boards have had an opportunity to meet with the GCPAB, or the consultants, or both. In short, we feel that everyone who wanted to have input into the proposed Comprehensive Plan has had an adequate opportunity to do so.

The proposed Plan is now in final form; and at this writing (January 1982), it has been presented to the Planning Board for their final review and adoption as required by New Hampshire law. The Plan, as proposed, consists of four major parts (a) a Resource Inventory, (b) a Statement of Goals and Objectives for the

Planning Process, (c) Recommendations for Future Land Use, and (d) a Capital Improvement Program. The document itself is a planning tool. For example, it does not change present zoning districts in Town, but merely recommends how those districts should be revised in the future to provide for the optimal development of Goffstown. As part of the Plan, valuable planning resources have been developed. The Town now has an updated soils map, a slope map, and a lot line overlay map which can be used by the Planning Board in its decision-making process. Also available to the Planning Board is a Future Land Use Map which shows recommended development for the Town, and a proposed Zoning Ordinance which coincides with the development patterns shown on the Future Land Use Map. In summary, the Town will be well prepared to manage growth over the coming years when the Plan is adopted by the Planning Board.

The planning process also developed a Capital Improvement Program for Goffstown. This program allows for the coordination of the planning and budget process. From now on, the Town's needs, based on growth (such as new roads, sewers, etc.), will be factored into the budget process. This should enable the Town to better anticipate capital expenditures and result in a relatively stabilized tax rate.

Since the GCPAB has essentially completed its function of assisting the Planning Board in developing a new Comprehensive Plan, we thank the Town for the opportunity to participate in this worthwhile project. When the Plan is adopted, we are sure that effective implementation of the Plan will make Goffstown's future bright.

COMPREHENSIVE PLANNING ADVISORY BOARD — Gardner Lamson, Roland Lariviere, George Hebert, Judy Corbit, Sally Healy, Tom Lally. Seated, Mary Jones, Tupper Kinder, Chmn. (Absent from photo: Larry Emerton, Jean Speidel, Richard Kincaid, Roger Aubin).

Southern NH Planning Commission

Since the Commission's last report to the Town, Federal budget reductions and recissions have hampered efforts to sustain the level of staffing and the varied work program to which our member communities have become accustomed over the past fifteen years.

Budget constraints have forced the Board of Commissioners (your appointed representatives) to eliminate one technician position, reduce the combination bookkeeper and secretarial position to a part-time bookkeeper status, and most recently, to leave the vacated graphic artist slot open. Thus far, the program area most affected has been the previously HUD-State supported regional planning element. A severe reduction in HUD '701' funding, and elimination of the State match to help support the Commission's Fiscal 1982 work program, forced the adoption of a much-abbreviated regional planning component.

Despite these problems, the Commission has attempted to balance the needs of the outlying towns with those of the central city, Manchester, and has been able, through its regional, transportation and local planning assistance programs, to continue services to local officials. In the form of various reports, special studies, technical assistance, etc., member communities have had important concerns addressed and been able to receive help on a wide range of issues. Several have been able to initiate public improvement projects which are eligible for State and Federal financial assistance.

During the past year, some of the work accomplished under the regional and transportation planning elements has included:

- An evaluation of progress made, by the Commission, toward the implementation of previously-adopted regional land use and housing plans (parts of the regional comprehensive plan);
- Publication and wide distribution of our newsletter, "Project", through which timely articles and news items on a wide variety of subjects ranging from recent court decisions on planning and zoning matters, community tax base analysis, and the use of performance standards for new development evaluation, to water quality management have been brought to the attention of municipal officials and concerned citizens;
- A seminar for General Court members representing the Commission's communities, during which they had an opportunity to informally discuss our responsibilities, programs, services and relationship with the towns with Commissioners and staff;
- A workshop on the National Flood Insurance Program conducted for the benefit of areawide selectmen, building inspectors, planning board members and the general public;
- A workshop conducted by representatives of the New Hampshire Department of Public Works and Highways on the Department's "5-Year Highway Improvement Program, 1981-1985 for the Southern New Hampshire Planning Commission Subregion". Municipal officials and the public were invited to obtain a briefing on projects in their respective communities and to become familiarized with the project qualification and selection process;

- The completion of a "Community Recreation Survey" of facilities, programs, financing, staffing, and issues through interviews with officials in each community. The results are expected to be published by the Office of State Planning during the Spring of 1982;
- Extensive work, by Commissioners and staff, with area-wide Boards of Selectmen and members of the New Hampshire Legislature in an effort to correct numerous inequities in RSA Chapter 566 which will seriously impact local tax rates resulting from implementation of the State Solid Waste Plan. (Details were reported in the December, 1981 issue of "Project"); and
- Co-sponsored, with the Nashua Regional Planning Commission, a workshop on interpretation of the provisions of RSA 31:118 and 119 regarding zoning for mobile homes. Staff also worked with the legal counsel of the New Hampshire Municipal Association drafting proposed amendments on behalf of our member communities.

Studies undertaken by Commission staff, or for the Commission by consultants, or by the State of New Hampshire in conjunction with the annual update of the Metropolitan Manchester Transportation Planning Study (area coverage includes the City of Manchester and the Towns of Auburn, Bedford, Goffstown, Hooksett, and Londonderry) include:

- "School Enrollment" (March, 1981);
- "Urban Goods Movement Study FY 1981, Central Business District Manchester, New Hampshire" (April, 1981);
- "Land Use Update FY 1981 Metropolitan Manchester Planning Study Area" (May, 1981);
- "Metropolitan Manchester Planning Study Area Employment Estimates" (June 1981);
- "Urban Impact Analysis FY 1981 Metropolitan Manchester Planning Study Area" (June, 1981);
- "A Preliminary Evaluation of Reasonably Available Transportation Control Measures for the Reduction of Carbon Monoxide Emissions in the Manchester, New Hampshire Metropolitan Area" (June, 1981) by C. E. McGuire, Inc.;
- "South Manchester-Londonderry Sub-Area Transportation Study" (June, 1981) by the COMSIS Corp.; and
- "Metropolitan Manchester Planning Area Long Range Highway Plan" (December, 1981).

Local Planning Assistance Services

A representative sampling of staff services provided to the Town of Goffstown during the past year included:

- Provided the Planning Board and the Board of Selectmen with updated copies of "Planning Legislation In New Hampshire".
- Provided the Planning Board with sample material needed to bring the Subdivision Regulations into compliance with the 1981 amendments to RSA 36:23, "Board's Procedures on Plats".

REPORT TO THE TOWN OF GOFFSTOWN

- Provided the Board of Selectmen with notice of public hearings on the adoption of criteria governing the designation and mapping of "prime wetlands" under RSA 483-A:7.
- Provided the Board of Selectmen, Planning Board, Zoning Board of Adjustment and the Building Inspector with notices and schedules of the Municipal Law Lecture Series held in the Fall, 1981.
- Provided the Planning Board with a copy of "Performance Standards For New Hampshire Communities" for their consideration as possible zoning provisions.
- Provided the Parks and Recreation Commission with a proposal for the preparation of an update of the Barnard Park Master Plan.
- Provided the Building Inspector with a copy of an interpretation of the provisions of RSA 31:118 and 119 dealing with the zoning requirements governing the placement of mobile homes.
- Provided the Board of Selectmen, Planning Board and Zoning Board of Adjustment with copies of proposed legislation relating to their respective jurisdictions being considered by the 1981 session of the New Hampshire General Court.
- Advised the Board of Selectmen and the Planning Board on legislative hearings pertaining to House Bill 913 "manufactured housing" (subsequently enacted as RSA 31:118 and 119) and provided the Planning Board with assistance regarding zoning compliance with the statutory requirements.
- Mr. Robert L. Wheeler served on the three-member Commission sub-committee conducting an in-depth review of the new RSA Chapter 566 which was enacted by the 1981 session of the State Legislature to implement the State Solid Waste Plan. The extensive work of this sub-committee, in cooperation with the various boards of selectmen, resulted in the preparation of several very important amendments intended to protect the municipalities. Consideration of these is expected during the 1982 special session of the New Hampshire General Court.

Status of Community Development Block Grant Projects

1. **Grasmere Village Water System.** A \$304,000 HUD award, obtained by the Southern New Hampshire Planning Commission on behalf of the Board of Selectmen, financed replacement of much of the Grasmere Village Water Precinct's distribution system. Before the weather halted construction last winter, a new custom-designed ball and socket river crossing pipe was successfully laid beneath the Piscataquog River and placed in service.

Construction was resumed in the Spring of 1981 and by August 1, more than 5,000 feet of new water mains had been placed in service and the project declared to be "substantially complete". All work has been completed on schedule and within the approved budget.

2. **Pinardville Community Improvement Project.** A \$534,000 HUD award was again obtained by the Commission on behalf of the Board of Selectmen. Written approval dated June 1, 1981 immediately set three important projects in motion:

a) By the time that the season's first snowfall arrived, public water service had been extended to the residents of Pershing, Haig, Foch, and Lorraine Streets, and Ridge Road. More than 5,000 feet of distribution main were installed.

b) The Goffstown Highway Department installed approximately 2,000 feet of storm drains and seventeen (17) catch basins in Plummer, Higgins and Cross Streets by early October.

In November, the Commission obtained HUD approval for the Town to undertake the installation of an additional 990 feet of drainage facilities. This work will involve portions of Kermit, Plummer and Louis Streets, and will resume in the Spring of 1982. All work to be done within the original budget appropriation.

c) By the end of December, 1981, the Town of Goffstown Housing Rehabilitation Program Committee and staff had home improvement projects either completed, underway or approved for twenty-one (21) dwelling units within the Pinardville "target area".

This grant award is scheduled for close-out by November, 1982.

Goffstown representatives on the Commission are:

Commissioners: Mr. Arthur W. Rose, Treasurer
Mr. Robert L. Wheeler
Mr. Milton Meyers

Executive Committee: Mr. Arthur W. Rose

Metropolitan Manchester Transportation

Planning Policy Committee: Mr. Elmer Nickerson

Visiting Nurse Association

The Visiting Nurse Association-Home Health Agency of Greater Manchester, Inc. continues to provide services as a certified Home Health Agency to the greater Manchester area, covering Manchester and five towns — Auburn, Bedford, Candia, Goffstown and Hooksett.

The agency is a voluntary, non-profit home health agency. It is nationally accredited by National League for Nursing/American Public Health Association, Medicare and Medicaid certified and a United Way Agency. The agency provides 24 hour home care services, with service between 9:00 p.m. and 7:30 a.m. on a selective and necessary basis. Anyone may request services by calling the office at 622-3781 from 7:30 a.m. to 5:00 p.m.

Mrs. Grace Gage, Mrs. Alice Knight, Mrs. Emmy Lou Stark; residents of Goffstown, serve on the Board of Directors.

The agency is supported by various funding sources. Home Health services are provided within the resources of the agency. Attempts are made to provide necessary services without regard to ability to pay. Fees are discussed on the initial visit, with a sliding scale used if full fee payment is not possible.

Home Health services are provided by the following staff members: licensed professional nurses, registered physical therapists, registered occupational therapists, registered speech therapists, registered nutritionist, social worker, certified home-maker/home health aides.

Adult health screening programs, occupational health services and immunization clinics are also provided by the agency. Walk-in blood pressure screening and health counseling/teaching is provided Monday-Friday from 1:30 p.m. - 3:30 p.m. at the office, 194 Concord St. in Manchester.

During the past year in Goffstown, the agency served 165 people and made 1424 nursing visits, 1534 Homemaker/Home health aide visits and 158 rehabilitation therapy and other visits. Immunization and Adult Health Clinics were also held.

Total value of services rendered to Goffstown during 1981 was approximately \$73,467.

Total value of service rendered without direct payment from third party insurers or private pay was \$23,771.

These services were covered by town appropriations, agency acquired grants, donations and other solicitation.

Sarah Hubbard
Executive Director

Board of Adjustments

Scheduled meetings are held on the first Wednesday of each month at 7:30 pm at the Town Hall. Special meetings are held as required and as published in the Goffstown News.

During the year 1981, the Board was called upon to make some very complex decisions on petitions, ranging from condominiums to a post office and bank.

The one which probably had the most effect on the Town as a whole was the proposed post office and bank on So. Mast Road. After many hearings, which were very well attended, the petition was turned down.

We hope that our decisions are the right ones, and that those who do not agree with us will realize that we are doing what we feel is best for the Town as a whole.

I must point out that when a petition is brought before the Board, it must be complete, and include a plot plan of the project and a drawing of the proposed structure including all dimensions. Without these, the Board will be unable to make a judgment, and the applicant will have to come back again, delaying the decision.

Any resident of the Town is welcome to attend any meeting of the Board, and to voice his opinion on any petition.

Any further information about the zoning in Goffstown may be obtained at the Building Inspector's office, or by calling any member of the Board, or by purchasing a Zoning Ordinance book.

Respectfully submitted,
Theodore Rohr, Chairman
Helen Miller

Conservation Commission

Although the Commission had an active year this year, it was a frustrating one for Commission members, as much of our activity was devoted to trying to protect and preserve the conservation land owned by the Town on the mountain. One lawsuit for trespass and tree-cutting was settled between the parties, but unfortunately another is now pending for an even greater area of timber trespass. It is the aim of the Commission to keep this area in its natural state so that the residents of the Town, the true owners of the mountain, may use it for passive recreation such as hiking, snowshoeing and cross-country skiing.

The gypsy moth crisis will be foremost in our minds next spring as we watch with anguish the defoliation of our beautiful trees. However, we strongly advise against massive spraying programs because of their devastating effects on all aspects of the animal and insect world. If we can be patient and let the natural enemies of the gypsy moth take their toll when the cycle is at its peak, we will see the end of the gypsy moth. And remember, this is temperate forest land where trees grow and flourish even after a major gypsy moth outbreak.

As a final note, the Commission is always willing to advise and assist any land owner who wishes to preserve private open space through donation of land to the Conservation Commission; granting of conservation easements pertaining to development of his land; or through any other technique of open space preservation.

Historic District

At the 1981 Town Meeting, the Town approved Article 13 of the warrant, which was to authorize the Selectmen to appoint an Historic District Committee, to consider the creation of an historic district or districts.

In anticipation of the appointment of the committee, the Planning Board prepared a Project Proposal and Grant application to obtain a federal matching grant for the purpose of surveying the town to determine the location of potential historic districts.

This was approved as a \$2500 Federal grant to be matched by the town in kind, e.g., by donation of time and other requirements by private individuals and the town without appropriation of funds.

The grant, as amended, expires in September of 1982. By that time, it is proposed that each location (building over fifty years old, structure, cemetery, etc.) be identified, and that article/s will be in the 1983 Town Warrant proposing one or more historic districts to be voted on by written ballot.

Board of Water Commissioners

In accordance with the Clean Water Act of 1974, the Goffstown Village Precinct has entered into a contract agreement with the engineering firm of Whitman & Howard, Inc., of Wellesley, Ma. and Concord, N.H. Their proposal is for Engineering Services to study and evaluate various aspects of the Precinct Water System.

A summary of the work they will perform is as follows:

1. Preparation of System Mapping
2. Review of existing conditions
3. Evaluation of Distribution Network
4. Determination of Safe Yield
5. Evaluation of Water Quality
6. Review of Reservoir System
7. Study of Distribution Storage

Item #3 of the above has been performed and is now being prepared for a report to the Board.

The Commissioners feel that at the conclusion of this study they will be able to determine the future needs of the community.

Polly Pigging again was used to clean 2,000. ft. of 6" main from the Exxon Station to Pineridge on South Mast Street. The project was very successful. The Board plans to continue this practice in the future at various locations within the precinct.

The water usage for the year 1981 was as follows: 8,666,000 cubic feet or 64,955,000 gallons, down by about 10,000,000 gallons from the year 1980. There were 35 meters replaced, 11 breaks, 11 freeze ups, and 2 new hydrants were purchased.

The reservoirs as of December 31, 1981 were full, at the same time in 1980 the upper reservoir was down 10 feet.

Respectfully submitted,
James P. Ackerman, Chairman

WARRANT FOR ANNUAL PRECINCT MEETING MARCH 15, 1982

GOFFSTOWN VILLAGE PRECINCT

To the inhabitants of the Goffstown Village Precinct qualified to vote on Precinct affairs:

You are hereby notified to meet at the Goffstown Upper Elementary School in said Goffstown, in said Precinct, on Monday, March 15, 1982, at 7:30 in the evening to act upon the following subjects:

ARTICLE I

To choose all necessary officers for the ensuing year, including a Moderator and Clerk.

ARTICLE II

To elect one (1) Member of the Board of Water Commissioners for a term of five (5) years.

ARTICLE III

To see if the Precinct will vote to accept the report of the Budget Committee, and to appropriate the sum of Sixty-eight Thousand One Hundred and Ninety-five Dollars (\$68,195.00) for the ensuing year.

ARTICLE IV

To see if the Precinct will vote to allow the Board of Water Commissioners the right to borrow money in excess of One Thousand (\$1,000.) due to any emergency that may arise.

ARTICLE V

To hear the reports of the various officers of the Precinct and pass any vote relative thereto.

ARTICLE VI

To transact any other business that may lawfully come before the meeting.

Given under our hand and seal this 12th day of January, 1982.

Henry Burnham	1982
James Ackerman	1983
Gardner Lamson	1984
Hedley Pingree	1985
Albert Gilbert	1986

WATER COMMISSIONERS - GOFFSTOWN PRECINCT — Albert Gilbert, Treas.; Henry Burnham, Secy.; James Ackerman, Chmn.; Gardner Lamson; Keith Moore, Supt. Water Dept.; Hedley Pingree; Lois Stevens, clerk (seated).

Goffstown Village Water Precinct

RECORD OF THE ANNUAL GOFFSTOWN VILLAGE PRECINCT MEETING MARCH 16, 1981

The Annual Meeting of the Goffstown Village Precinct was held at the Goffstown Upper Elementary School on March 16, 1981.

The meeting was called to order at 7:30 P.M.

It was moved by Hedley Pingree and seconded by Albert Gilbert, and so voted, to dispense with the reading of the Warrant and to take up each article in order.

ARTICLE I

Lawrence Emerton was nominated for Moderator and Lois Stevens for Clerk, they were elected by acclamation and sworn in by Hedley Pingree.

ARTICLE II

Gardner Lamson was nominated and elected to fill the unexpired term of the late Merton Grant. This term would be for three (3) years ending in 1984.

ARTICLE III

Albert Gilbert was nominated and elected to serve five (5) years as a Water Commissioner.

Gardner Lamson and Albert Gilbert were sworn in as Commissioners by Moderator Lawrence Emerton.

ARTICLE IV

Moved and Seconded and so voted to accept the report of the Budget Committee and to appropriate the sum of Sixty-one Thousand Seven Hundred and Fifty Dollars (\$61,750.) for the ensuing year.

ARTICLE V

Moved and Seconded and so voted to allow the Board of Water Commissioners the right to borrow money in excess of One Thousand Dollars, (\$1,000) due to any emergency that may arise.

ARTICLE VI

Moved and Seconded and so voted to accept the Auditor's report (Langevin & Kelly) in lieu of the Treasurer's report.

ARTICLE VII

Under this article Peter Jenkins, representing the Fire Department, spoke regarding the latest Fire Insurance Office classification Improvement Statements, Fall of 1980.

One of the criteria the Insurance Office mentioned was that the Water Department should be notified of all building fires and should respond to all second alarm fires. He also mentioned regular checking of hydrants and valves. Mr. Moore, Water Department Superintendent, mentioned this is now done on a regular basis. Mr. Jenkins praised Mr. Moore for responding to fires and helping them immediately on any hydrant problems they have encountered.

Mr. Jenkins also mentioned that in case of a large fire it might be necessary to turn on the pumps and the presence of a representative from the Water Dept. would be necessary to accomplish this.

Mr. Ackerman asked Mr. Jenkins to come to the next regular meeting of the Board to go into this matter further.

Mr. Kenneth Hambleton spoke regarding the need to begin replacing some of the old pipe over a period of time. Mr. Moore mentioned the Water Department has already started a program of cleaning mains which should help increase the life of the pipes.

Mr. James Ackerman, Chairman of the Board, mentioned the increasing costs due to inflation and the Board's efforts to keep costs down. He also mentioned if the State should eventually require the elimination of the open water reservoir then we would, of course, be faced with a serious investment problem.

There being no further business to come before the meeting it was moved and seconded and so voted to adjourn the meeting at 7:55 P.M.

Lois B. Stevens
Clerk

A True Copy of Record Attest:

Lois B. Stevens,
Clerk

Grasmere Village Water Precinct

The Grasmere Village Precinct completed a major project this past year. New iron mains were laid through much of the system. With this new pipe, our water flow has been increased and with a loop in the system, at least a part of the system will be operational in case of a break. The work has been completed, but final acceptance of the work will not be made until the fall of 1982.

The commissioners would like to take this opportunity to thank all of the people of the village as well as those who travel through the village for their cooperation during the construction.

At times the road condition was very unsatisfactory to say the least. We apologize for any inconvenience caused.

Respectfully submitted,
Grasmere Village

School District

RECORD OF THE ANNUAL MEETING OF THE GOFFSTOWN SCHOOL DISTRICT

8:00 P.M.
MARCH 12, 1981

The regular meeting of the Goffstown School District was held at the Goffstown Area High School gymnasium. The meeting was called to order at 8:30 p.m., by Moderator Larry Emerton.

Miss Wendy Fletcher, President of the Goffstown Area High School Student Council led the Pledge of Allegiance to the Flag.

Moderator Emerton introduced members of the Goffstown Board of Education, the School Administrative Unit #19 administrators, and members of the Goffstown Budget Committee's Subcommittee to the School District.

Dallas Mahoney, Chairman of the School Board, speaking in behalf of the School Board and the people of the community, extended thanks and appreciation to Mr. Robert Moulton, Principal of Goffstown Area Jr./Sr. High School, who is resigning from his position at the end of the school year after serving the community for over 25 years. The Board wished Mr. Moulton success and happiness in his future endeavors and could only hope that Mr. Moulton's future success would equal the success that he has brought to the students of Goffstown during his tenure.

Moderator Emerton read the Certificate as to the posting of Warrants. It was moved by Lucille Lagasse and seconded by Robert Wheeler, Jr., that we omit the reading of the Warrant, and that we act upon each article as they appear. Motion carried by a voice vote.

ARTICLE 1

To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers and agents of the District.

A motion was made by Donna Kelly, and it was seconded, to accept Article 1 as read. Motion carried by voice vote.

ARTICLE 2

To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

A motion was made by Dallas Mahoney, and it was seconded, to accept Article 2 as read. Motion carried by a voice vote.

ARTICLE 3

To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the state of New Hampshire and/or the United States, and to appropriate any funds received from the U.S. Government to the payment of obligations of the District for which said government funds constitute full reimbursement, or take any other action in relation thereto.

Paul Welch moved, and it was seconded, to accept the Article as read. Motion carried by a voice vote.

ARTICLE 4

To see if the District will vote to authorize a supplemental appropriation of Forty-two Thousand, Three Hundred Dollars (\$42,300) for unanticipated expenses, said appropriation to be offset by excess tuition revenue. (Not recommended by the Budget Committee).

A motion was made by Dallas Mahoney, seconded by Helen Skoglund, that the District appropriate \$42,300 for unanticipated expenses, said appropriation to be offset by excess tuition revenue, and said fund to be used prior to the close of fiscal period of June 30, 1981.

After considerable discussion, the Moderator asked for a Division of House (requested by more than five voters) (Standing vote)

170 in favor of the motion
176 against the motion

Vote on the Motion: Motion defeated.

ARTICLE 5

To see if the District will vote to appropriate Sixty-eight Thousand, Five Hundred Dollars (\$68,500) to implement the recommendation of the Building Committee concerning removal and replacement of the asbestos ceiling at Maple Avenue Elementary School. (Not recommended by the Budget Committee).

Gossett McRae, Chairman of the Goffstown Building Committee, presented a report on the process followed in fulfilling the charge of the voters at the last School District meeting. Before recommending construction the Committee felt the removal and replacement of the asbestos ceiling at Maple Avenue Elementary School was the first priority.

A motion was made, and it was seconded, to accept Article 5 as read. Robert Wheeler, Mr. Osborne, and Elmer Nickerson are recorded as being in favor of the motion. Sam Aucoin is recorded as being against the motion.

Considerable discussion ensued.

A motion was made, and it was seconded, to stop discussion. Motion carried by a voice vote.

French Stone asked for Division of House (requested by more than 5 voters) (Standing vote)

305 in favor of the motion
21 against the motion

Vote on the Motion: Motion carried.

ARTICLE 6

To see if the Town will vote to read and act upon the articles prior to the reading of the School District budget. (Submitted by petition).

Moderator Emerton declared Article 6 out of order.

ARTICLE 7

To see if the Town will vote to place on a bid basis all purchases and all line items of one nature in excess of \$499 with three competitive vendors, as is the practice with the state of New Hampshire. (Submitted by petition).

School District

Mr. Duval addressed this article and moved that this Article be accepted as read. Motion seconded.

Discussion ensued:

George Deziel moved, and it was seconded, to stop debate. Motion carried by voice vote.

Motion on the article was defeated by voice vote.

ARTICLE 8

To see if the Town will vote to authorize the Goffstown School District Budget Committee to have a line item budget published by the local newspaper 14 days prior to the School Budget Hearing. A line item shall consist of the expenditures of each department and itemization of those expenditures, i.e., wages, contracts, and the % (percent) of increase or decrease. (Submitted by petition).

Stanley Beck addressed this Article, and moved that this Article be accepted as read. Motion seconded. Robert Wheeler, Jr. is recorded as opposing this motion.

Discussion ensued.

A motion was made, and it was seconded, to stop discussion. Carried by voice vote.

Mr. Beck asked for a Division of House (requested by more than 5 voters (Standing vote).

157 in favor of the motion
146 against the motion

Vote on motion as read: Motion carried.

ARTICLE 9

To see if the Town will vote to place a one year freeze on the expenditure of capital outlay for 1981-82 budget year. (Submitted by petition).

Stanley Beck addressed this article and moved that this Article be accepted as read. Motion seconded.

Discussion ensued.

Motion to accept this Article was defeated by voice vote.

ARTICLE 10

To see if the Town will vote to appropriate a school budget that will not exceed a seven percent increase over the 1980-81 school budget minus the approved 1980-81 capital outlay. (Submitted by petition).

Dan Duval addressed this Article and moved that this Article be accepted as read. Motion seconded.

Discussion ensued.

A motion was made, and it was seconded, to stop debate. Motion defeated by voice vote.

After further discussion, a Division of House was requested by more than 5 voters. (Standing vote)

62 in favor of the motion
230 against the motion

Motion to accept this Article was defeated.

ARTICLE 11

To see if the Town will vote to appropriate a school budget that will not exceed 7% (seven percent) of the approved 1980-81 school budget minus the approved 1980-81 capital outlay. (Submitted by petition).

Article 11 was declared out of order by Moderator Emerton.

ARTICLE 12

To see if the Town will vote to henceforth place all insurance policies due for renewal out on a bid basis, with three or more competitive vendors. (Submitted by petition).

Paul Ouellet introduced this Article.

A motion was made, and it was seconded, to accept this Article as read. Motion seconded. Article carried by voice vote.

ARTICLE 13

To see if the Goffstown School District will place a freeze on adding any new position in the Goffstown School System, with the exception of the proposed hiring of one additional high school nurse (Submitted by petition).

Sam Aucoin introduced this Article. Article defeated by voice vote.

ARTICLE 14

To see if the District will vote to raise and appropriate the sum of Nine Thousand, Six Hundred and Forty-seven Dollars (\$9,647) (to be adjusted according to the 1981-83 salary schedule) to an art teacher for grades 1 through 6. (Submitted by petition). (Not recommended by the Budget Committee).

Margaret Dolbow addressed this Article. Article defeated by voice vote.

ARTICLE 4

John Brown moved, and it was seconded, that Article 4 be reconsidered. Vote defeated by voice vote.

ARTICLE 15

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries, for school district officials, and agents, and for the payment of statutory obligations of the District.

Dallas Mahoney moved that the District raise and appropriate \$4,421,415 for the support of schools, for the payment of salaries, for school district officials, and agents, and for the payment of statutory obligations of the District. Motion was seconded.

After discussion, Dan Duval recommended that the Article be amended to read that the District raise and appropriate \$4,120,000 for the support of schools, for the payment of salaries, for school district officials, and agents and for the payment of statutory obligations of the District. Motion was seconded.

School District

French Stone asked for Division of House by ballot vote (signed petition by more than 5 people):

85 in favor of the amendment
184 against the amendment

Vote on amendment defeated.

Vote on original motion to raise and appropriate \$4,421,415 for support of schools carried by voice vote.

ADJOURNMENT

Motion was made by Mr. Crotty, and it was seconded, to adjourn the meeting at 12:15 a.m. Motion carried by voice vote.

Respectfully submitted,
Gordon B. McDonald, Clerk

GOFFSTOWN SCHOOL DISTRICT WARRANT

1982

The State of New Hampshire

To the Inhabitants of the School District in the town of Goffstown in the county of Hillsboro, state of New Hampshire qualified to vote upon District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE GOFFSTOWN AREA HIGH SCHOOL IN SAID DISTRICT ON THURSDAY, THE ELEVENTH DAY OF MARCH, 1982, AT EIGHT O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers and agents of the District.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

3. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the state of New Hampshire and/or the United States, and to appropriate any funds received from the U.S. Government to the payment of obligations of the District for which said government funds constitute full reimbursement, or take any other action in relation thereto, in accordance with RSA 198:20-B.

4. To see if the District will vote to authorize the Goffstown School Board to execute a Quitclaim Deed transferring to the Town of Goffstown any and all of its right, title and interest in a section of Park Lane, so-called, in said Town of Goffstown, which section is approximately 30 feet in width and 110 feet in length, more or less, which right, title and interest was acquired by the Goffstown School District by deed of Roland A. and Dorothy N. Barnard dated June 14, 1965 and recorded in the Hillsborough County Registry of Deeds August 6, 1965 in Volume 1841, Page 141.

5. To see if the District will raise and appropriate the sum of Sixty Eight Thousand, Seven Hundred Dollars (\$68,700) for roof repairs at Upper Elementary School and Goffstown Area High School or take any other action in relation thereto. (Recommended by the Budget Committee.)

6. To see if the District will vote to rescind the School District's authority to issue the remaining Fifteen Thousand Five Hundred Dollars (\$15,500) balance of the original authorization of Ninety Thousand Dollars (\$90,000) in long term notes for the Maple Avenue School roof.

7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials, and agents, and for the payment of statutory obligations of the District.

8. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID GOFFSTOWN THIS SIXTEENTH DAY OF FEBRUARY, 1982.

School Budget

TRANSMITTAL AND COMMENTARY LETTER

We have examined the financial statements of the various funds and account groups of the Goffstown School District for the year ended June 30, 1981 and have issued our report thereon, dated September 16, 1981. As part of our examination we reviewed and tested the District's system of internal accounting controls to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon to determine the nature, timing and extent of such auditing procedures that are necessary for expressing an opinion on the financial statements. Such study and evaluation disclosed the following condition that we believe to be a material weakness.

Gross Budgeting — Special Revenue Funds

The District's policy has been to budget only the estimated Federal portion of the School Lunch Program Fund. Food sales and related purchases are not included in the budget. We believe this to be an internal control weakness because District officials do not have summary projected vs. actual information on the status of the lunch program. Control of school lunch budgets is particularly important in times of uncertain Federal participation. Lack of a comprehensive budget for this fund is also inconsistent with the gross budgeting requirements of the Municipal Budget Act.

Other

The objective of internal control is to provide reasonable but not absolute assurance as to safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurances recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgments by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgments required in the preparation of financial statements. Further projection of any evaluation of internal accounting control to future periods is subject to the risk that procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the District's system of internal accounting control for the year ended June 30, 1981 which was set forth in the first paragraph, would not necessarily disclose all weaknesses in the system.

During the course of our examination we noted the following conditions which we believe merit your attention.

Fixed Asset Accounting

The District does not maintain accounting records for its fixed assets, as is the case with many New Hampshire communities. Fixed asset records are needed for control of the assets as well as the insurance program and long-range planning. While we recognize that the costs of any control system should not outweigh the benefits and that the establishment of fixed asset accounting records is a major undertaking we believe that the District should give development of these records a high priority. We offer the following program for your consideration.

Adoption of a formal capitalization policy by the School Board.

Inventory existing fixed assets and maintain records of identified items at a central location under control of District officials.

Establish fixed asset accounting records for all new acquisitions and a certain percentage of existing items annually.

Establish a program for periodically verifying existence of items in the fixed asset accounting records or on the inventory.

Adopt formal procedures to delete items from the records.

Long-Term Debt Authorized — Unissued

The District issued \$74,500 in long-term notes of an authorized \$90,000 for the Maple Avenue School roof. We recommend that the next annual meeting consider recinding the remaining \$15,500.

Federal Information Returns

Federal law requires that individuals, partnerships, and unincorporated business who provide over \$600 in services to the District in a calendar year must receive form 1099 Misc. We believe that procedures to identify and prepare these returns should be an integral part of the District's accounting system.

Student Activities Accounts

As noted in our prior reports student activities expenditures are made on an imprest basis through the Student Activities Fund. We do not believe that this practice is consistent with the District's fiduciary responsibilities in this fund and urge the District to continue its search for alternatives to this practice.

Publication Requirement

It should be noted that a letter of this type is critical by nature. We found many examples of good general business practice in our review of the Goffstown School District.

The provisions of R.S.A. 71-A:21 require that only this letter be published in the next annual School District Report. However, we suggest that you consider the publication of the entire report which includes auditor's opinion, financial statements and notes to financial statements. No portion of either the auditor's opinion, financial statements or notes to financial statements may be published separately.

We extend our thanks to the officials and employees of the Goffstown School District for their assistance during the course of our audit.

Public Schools' Reports

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL BOARD AND CITIZENS OF GOFFSTOWN

I herewith submit my 1981 report concerning the public schools of Goffstown.

The 1981 Goffstown Accountability program is the result of months of effort by teachers and administrators representing the schools in School Administrative Unit #19. The purpose of this report is to present information about the educational progress of its students to the citizens of Goffstown.

During the week of May 25, 1981, all students in Grades 4, 8, and 11 participated in a testing program which assessed students' abilities in reading, writing, mathematics, and United States and New Hampshire history and government. Students in Grades 4, 8, and 11 were tested in all three areas and were also asked to complete a writing sample.

The staff and administration of the Goffstown Schools will use the results of this testing program to provide:

1. A comprehensive measure of student performance in relation to the essential student outcomes;
2. A basis for curriculum revision and changes in resource allocation;
3. A means of identifying those students whose scores indicate a need for program changes and/or remedial attention.

The tests used in this assessment reflect only a portion of the school curriculum, because the assessment program is not intended as a means of judging the adequacy of the total educational program. The results provide a profile on how well Goffstown students are able to demonstrate certain targeted skills and knowledge in reading, mathematics, writing, and United States and New Hampshire history and government.

The summary which follows is a report of the average performances of pupils who were tested. The basis for the test content in each subject area was developed by committees of S.A.U. #19 teachers for grades 4, 8 and 11. The test questions attempted to evaluate the average achievement level of all pupils in a particular grade.

The teacher committees first developed essential student outcomes and performance indicators which served as goal statements and learning objectives from which the tests were then developed. The S.A.U. #19 planning group, made up of teachers, board members and administrators from all S.A.U. districts reviewed the work of the committees after which each School Board in the S.A.U. adopted the goals and objectives.

After the tests were administered in late May, 1981, they were scored and the results printed at the computer center at Goffstown Area Junior/Senior High School. The test results at each grade level are summarized as follows:

A. Math

Grade 4

The grade 4 Math accountability test consisted of 40 questions dealing with 12 different mathematic skill areas such as addition and subtraction. One hundred forty-two students were tested and, as a group, demonstrated a very high level of ability in measurement, addition and equalities/inequalities. Above average ability was demonstrated in the areas of subtraction, multiplication, division, numeration, number theory and graphs/scales. Student performance was lower in the areas of word problems, geometry and estimating.

Grade 8

The grade 8 Math accountability test consisted of 82 questions dealing with 15 different skill areas such as fractions, decimals, measurement, geometry, word problems, etc. One hundred ninety-two students were tested and, as a group, they demonstrated the greatest ability in solving problems involving the use of graphs or scales and word problems. Average ability was demonstrated in whole numbers, decimals, measurement, fractions, number theory, equalities, geometry, finance and judgment. Students demonstrated less ability with integers, numeration (place value), ratio and percent, probability and statistics.

Grade 11

The grade 11 Math accountability test consisted of 65 questions dealing with 14 specific math skill areas such as fractions, decimals, geometry, word problems, algebra, etc. One hundred ninety-seven students were tested and, as a group, they demonstrated the greatest ability in whole numbers, decimals, graphs/scales, word problems and algebra. They demonstrated good ability in fractions, numeration, equalities, geometry, ratio/percent and judgment. They demonstrated less ability with number theory, measurement and probability and statistics.

B. Language Arts

Grade 4

The grade 4 Language Arts accountability test consisted of 81 questions dealing with 11 different English skill areas such as word meaning, reading comprehension and capitalization/punctuation. One hundred thirty-eight students were tested. As a group, they demonstrated greatest ability in the areas of understanding phonics, parts of a book and word structure and meaning. Average ability was demonstrated in the areas of maps, capitalization/punctuation, language expression, and comprehension. Students demonstrated more difficulty with alphabetizing, paragraph organization/outlining and dictionary skills.

Grade 8

The grade 8 Language Arts accountability test consisted of 96 questions that were based on 10 specific areas of English usage such as word meaning, critical comprehension, punctuation, study skills, complete sentences, etc. One hundred ninety-six students were tested and, as a group, they demonstrated greatest ability in literal comprehension (story detail and recall) and in interpretation of diagrams and charts. Students demonstrated less ability in critical comprehension (determining author's point of view) and with punctuation.

Public Schools' Reports

Grade 11

Grade 11 Language Arts accountability test consisted of 100 multiple choice questions dealing with 15 specific language arts skill areas such as word meaning, literal comprehension, critical comprehension, dictionary, outlining, punctuation, language expression, communication skills, etc. Students demonstrated the greatest ability in interpreting word meanings, outlining, and in understanding diagrams and charts. Average ability was demonstrated in the area of parts of books, reader's guide, language expression, communication skills and listening. Students demonstrated the most difficulty with dictionary, card catalog, reference books, literal comprehension, critical comprehension, and punctuation.

C. United States and New Hampshire History and Government

Grade 4

The grade 4 Social Studies accountability test consisted of 44 multiple choice questions dealing with 10 different areas of U.S./N.H. history and government such as finding information, interpreting maps and rights and responsibilities. One hundred forty-four students were tested and, as a group, they performed best on questions dealing with sequence/cause and effect and natural/man made features. They showed somewhat less ability in the areas of finding information, New Hampshire climate, New Hampshire location, and people and events. The lowest ability was demonstrated in the areas of rights/responsibilities, structure/function of government, interpreting maps, and process of change.

Grade 8

The grade 8 Social Studies accountability test consisted of 49 questions that were based on 9 areas of the Social Sciences such as research skills, people and events, functions of government, structure of government, etc. One hundred ninety-five students were tested and students showed the greatest ability in the interpretation of maps and questions which required them to identify and distinguish between natural and man-made features. Students demonstrated average ability in research skills, people and events, functions of government and rights and responsibilities. They demonstrated less ability in the areas of sequence/cause and effect and the process of change.

Grade 11

The grade 11 Social Studies accountability test consisted of 74 questions dealing with 11 areas of United States and New Hampshire history and government. One hundred ninety students were tested and they demonstrated the highest ability in their understanding of environmental issues, ability to interpret maps, charts, tables, and skills in research. Students demonstrated average ability in the understanding of early settlement and industrial growth, New Hampshire history, cause and effect relationships, identifying people and events, and the functions of government. Students demonstrated less ability with their understanding of the structure of government, the electoral process and the historical process of change.

As the final step in the accountability process, a committee of teachers and administrators has prepared a management plan by which the school district will respond to the learning needs revealed by the assessment. This plan will be presented to the School Board and will contain recommendations in the areas of curriculum, staff development and instructional resource needs. Students in grades 4, 8 and 11 will be tested each May in order to measure improvement in performance.

I wish to express my appreciation for the assistance and cooperation provided me by the administrators, teachers, school boards, and citizens of Goffstown. Without this assistance and cooperation, many of the things accomplished would have been left undone, and I look forward to another prosperous year — a year of continued cooperation.

Respectfully submitted,
Antonio G. Paradis
Superintendent of Schools
NH School Administrative Unit #19
Bow, Dunbarton, Goffstown
New Boston, Weare

Public Schools' Reports

SPECIAL NEEDS

As a result of the passage of Federal and State Statutory requirements governing the education of handicapped persons, local school districts have had to adopt policy and implement programs to insure that they were in full compliance with the mandates of these laws. This has had a serious impact on local education agencies, referred to as the LEA. In light of this fact it seems fitting at this time to share with you a brief summary of the imposing laws and how Goffstown is responding to the issues involved in providing the learning environments called for in each of our schools.

With the passage of the Civil Rights Act of 1964, many issues that were brushed under the rug in the past became court issues that required definition and legislative response. In 1973 Public Law 93-112 "The Rehabilitation Act" was passed. Section 504 of this law was very specific in its interpretation of the rights of the handicapped citizen and was in fact the first law to protect the civil rights of handicapped people. In order to interpret the Department of Education's plan to meet its responsibilities under section 504 of this act, Public Law 94-142 "The Education for All Handicapped Children Act" was enacted in 1975. This law spelled out to states the regulations of the law and required that each state develop and submit Standards to insure full compliance by the individual state with the requisite legislation. These Standards became binding upon all persons and public and private agencies providing or having the responsibility for meeting the educational needs of handicapped students. In New Hampshire the Standards grew directly out of the legislative mandates which require a free and appropriate public educational service for any person deemed to be educationally handicapped by their local school district in order to assist these people to achieve their potential in society. It bears mentioning at this point that New Hampshire was one of the few states that had state legislation as far back as the year 1965 which made it obligatory that handicapped persons be provided with educational programs.

In New Hampshire the LEA has the responsibility of providing educational services to all children who reside in their geographic area of responsibility under Revised Statutes Annotated relating to Public School Chapters 193 and 194, Section 193:4, 193:14 and 194:27. Effective July 1, 1965 the following declaration of Purpose was stated under Revised Statutes Annotated relating to Public School Chapter 186A:1:

"It is Hereby Declared To Be The Policy Of The State To Provide The Best And Most Effective Education Possible To All Handicapped Children In New Hampshire."

The New Hampshire Legislature met to review R.S.A. Chapter 186 in an effort to be more definitive in meeting the requirements of federal laws and to assess and implement a source of funding to carry out the mandates of these laws. On July 1, 1981, under a new piece of legislation, Chapter 186-C became effective. This R.S.A. under Section 186-C:1 declared it to be the policy of the state that all children in New Hampshire be provided with equal educational opportunities, stating it to be the purpose of this chapter to insure that the state board of education and the school districts of the state provide a free and appropriate public education for all educationally handicapped children.

The definition of an educationally handicapped child under this law means any person 3 years of age or older but less than 21 years of age who has been identified and evaluated by a school district according to the provisions of R.S.A. 186-C:7 and determined to be mentally retarded, hearing impaired, speech or language impaired or both, visually impaired, seriously emotionally disturbed, orthopedically impaired, otherwise severely health impaired, deaf-blind, multi-handicapped, or as having specific learning disabilities, who because of such impairment needs special education or special education and educationally related services.

The following synopsis of programming in Goffstown will give a capsulated insight into how our schools are meeting the needs of our community's children who have been found to be educationally handicapped.

UPPER ELEMENTARY SCHOOL

William Brendle, Principal

Upper Elementary provides services to their educationally handicapped students through the special education teacher and the classroom teacher. Most students are served in the regular classroom with a modified program developed in conjunction with the Special Education Teacher and the child's teachers but there are several students served primarily in the resource room. The special education teacher monitors all special programs but is more closely involved in direct teaching with those students receiving assistance in the resource room. The building team develops an individualized educational plan and then appropriate placement is decided upon from the needs indicated in the plan. This is the source from which programs are implemented.

MAPLE AVENUE SCHOOL

Leon Cote, Principal

Maple Avenue's resource room program follows much the same model that other elementary schools provide. The children are referred to the building team for evaluation, program development and placement. Maple Avenue School serves as a regional elementary program for the entire SAU #19 in instances when a building team decides for one reason or another that they are not in a position to appropriately serve the child's needs. This placement is never decided upon except by the Union Placement Team. The special needs staff and the teachers at Maple Avenue School together carry out the program called for in the child's educational plan.

BARTLETT SCHOOL

Leon Cote, Principal

Bartlett School's resource program is designed to function in providing/monitoring those services indicated as needs by an individual student's plan. The plan is developed by the building team which in all elementary school buildings consists of the child's regular classroom teacher, special education personnel, a speech therapist, school nurse and the school administrator or his/her designee. This team's input is often supplemented by the expertise of a specialist in a given area who serves on the SAU #19 Diagnostic Team.

Bartlett School is unique in our system because it also serves as a placement for students throughout SAU #19 who are multihandicapped and otherwise would require programs in outside facilities. These children attend school as close to the regular community as possible and by so doing are in the least restrictive environment as called for in Public Law 94-142. There

are presently two programs in operation, a transitional class which was implemented and is in its third year of inception and a primary II class which was developed and started this fall term. This primary II class was initiated this year as an extension to more appropriately serve the needs of some of the primary I class. As the students progress they will enter the next level of special education. It is our goal to have services provided within the SAU boundaries for these children at every grade level. Programs are constantly being evaluated and designed in order to provide an education within the public school community which is contingent on the appropriateness to the needs of the population we serve and the most cost effective approach.

GOFFSTOWN AREA JR./SR. HIGH SCHOOL

William Marston, Principal

The program for educationally handicapped students at the Jr./Sr. High School has developed into an extensive service in order to appropriately meet the needs of the students from Dunbarton, Goffstown and New Boston. Under a federal grant monies were allocated to carry out the necessary construction to provide three resource centers. These centers serve those students who require individualized plans in order to build their skill levels.

There is a continuum of learning environments in this facility which include programs in the regular classroom with a modified program developed jointly by the classroom teacher and the special education teacher. Other students receive the academic component of their program in the regular class in the morning and for the remainder of the day attend the vocational skill center in Manchester or a work study program to gain entry level skills in their area of capability and interest. The focus of the program is to insure as much as possible that these students will be functional adults within their potential when they have completed their program of studies. When it becomes necessary for a student to receive related services e.g. speech therapy, occupational therapy, counseling, etc. in order to be successful in their educational program, then these services are provided for the student in all situations when deemed advisable by a building team which is responsible for making program decisions.

Public Schools' Reports

GOFFSTOWN ANNUAL SCHOOL HEALTH REPORT SEPTEMBER 1980 - JUNE 1981

School nursing is a dynamic discipline embracing a variety of functions which fall under the broad categories of assessment, planning, implementation, evaluation, study, and research. Due to academic and professional skill in these areas, the school nurse is the faculty member qualified to assume responsibility for the school health services listed below. The school nurse is prepared to:

1. Assess and evaluate the students' health.
2. Counsel students, parents, and school personnel, and plan action for eliminating, minimizing, or accepting health problems.
3. Assist in the identification and education of students with special health problems which affect learning and total growth.
4. Provide programs for the prevention and control of disease.
5. Coordinate health services with health education and other phases of the total educational program.
6. Coordinate health services with community health programs.
7. Observe school facilities and recommend modifications necessary to maintain optimum health and safety of students and school personnel.
8. Provide for emergency care in cases of injury or sudden illness.
9. Obtain pertinent family history and home situation factors.

10. Respond to frequently encountered health problems:
 - a. Child neglect and abuse.
 - b. Drug abuse and use.
 - c. Human nutrition.
 - d. Adolescent pregnancy.
11. Provide select health service for school personnel.
12. Participate in school staff and administrative activities.
13. Conduct research and evaluate school health services.

Mrs. Ann Gamache, R.N., will be joining School Health Services at the High School for school year 1981-82. We are pleased to have her. A second class for handicapped children has been established at Bartlett Elementary this year.

We are indebted to the American Cancer Society for providing information and resources to the students at all grade levels in the areas of Human Growth and Development, cancer prevention and detection, establishment of good health habits and good decision-making regarding their own health. A new program was added to the High School curriculum in which Dr. Robert Biron, Pathologist, was present for a film and discussion titled "T.S.E.", Testicular self-examination, for senior boys.

Other programs are an important part of our services. These include dental programs, pre-school testing, first grade registration, premenstrual education, etc. Many community clubs and organizations assist us in various ways, and we extend our thanks to them, and to Albert F. Snay, MD, our school physician.

Respectfully submitted,
Doris Bailey, R.N.
Jeanine LaRoche, R.N.
Phyllis Duclos, R.N.

SCHOOL BOARD — Paul Welch, Dallas Mahoney, Helen Skoglund, Sara-Ann Sarette, Frank Hudson, Patricia Guptill, Donna Kelly. (Absent from photo: John Brown, Chmn., George Deziel).
